1 (tape #66.)

2 DICK: -- a similar one that I'm going to
3 propose to you, when you talk to me, your, any decision
4 making that you do is done with David's okay and prior
5 approval. All right? Things --

6 STEVE: I'm an individual, wait a minute.

7 DICK: I know you are, but ultimately David
8 is making those decisions to a large degree. You're
9 making some, okay, certainly, I know you're doing that,
10 and I'm making some, however, both of us answer to
11 others. Whether it be God or whether it be my SAC or
12 whomever, however, I make these suggestions to someone,
13 they then, you know, they talk about it and they decide
14 to make the, the final decision.

15 STEVE: David says, I'm listening to you, but
16 just let me interject. David says no -- and this is
17 what I said last night over and over to John, what's
18 his name?

19 DICK: John?

20 STEVE: John Cox, yeah.

21 DICK: Yeah.

22 STEVE: David says no one gets in that tank.
23 No one makes any kind of maneuver without it being
24 ordered from the top. This is the military and we, and
25 we have, people have been in the military in this
organization, but, anyway, even aside from that, I know

1 for a fact when something as touchy as this, the
2 control is at the command post --

3 DICK: It is.

4 STEVE: -- where you are.

5 DICK: It is, but not where I --

6 STEVE: -- so no one's going to turn a
7 Bradley around even a degree, or run over our guard
8 shack or move a motorcycle or a sandbag.

9 DICK: Yes, I will agree with you, but that's
10 not my decision is what I'm trying to tell you.

11 STEVE: I don't, well you put the guy on
12 that, whose decision it is.

13 DICK: I am passing information to them.

14 STEVE: And you, and you tell us ahead of
15 time. Discuss it with us like you said you would, like
16 Jim told us and Gary --

17 DICK: Hold on for a second.

18 STEVE: All right.

19 DICK: Hold on, Steve. I'm having a problem
20 with this phone. I'm going to have to switch it over
21 to --

22 STEVE: All right, go ahead.

23 DICK: Let, it's going to take me a minute
24 and I'll get back to you as soon as we, we fix this
25 thing and I'll get back to you --

STEVE: Okay, fine.

1 DICK: -- in a couple of, just a couple of
2 seconds. Tell David, Steve?

3 STEVE: Yeah.

4 DICK: Tell Dave that I need to speak with
5 him and that we'll get these things that we'll talk
6 about.

7 STEVE: Why don't you want to speak with me?

8 DICK: I like speaking with you, but I want
9 --

10 STEVE: You want me to come out also, right?

11 DICK: Absolutely.

12 STEVE: And I want to also.

13 DICK: Absolutely.

14 STEVE: But see, what I'm voicing to you,
15 Dick, is the concerns of everybody here.

16 DICK: And I will be able to address those
17 concerns with, you put anybody on the phone and I'll
18 address those concerns. In fact, what we want to do,
19 you know, I didn't get a chance to talk to the gals
20 yesterday --

21 STEVE: Like, see Dick, like David told you,
22 if you talk to anybody here, or if anybody chooses,
23 he's, David's even said to me a number of times, Steve,
24 find out from who in the building wants to leave.
25 It's, it's something we've done many times.

DICK: Okay, well, I want to be sure of that

1 | in my own mind, so I'd like to speak to those folks.

2 | STEVE: Freedom of speech is something that
3 | we're into, so.

4 | DICK: I understand that.

5 | STEVE: Well, call me back when you're able.

6 | DICK: We'll do it.

7 | STEVE: I'll be right here.

8 | DICK: All right, bye.

9 | STEVE: Good-bye.

10 | * * * * *

11 | STEVE: Hello.

12 | DICK: Steve?

13 | STEVE: Yes.

14 | DICK: Can you hear me now?

15 | STEVE: Yeah, I can hear you.

16 | DICK: A little stronger signal?

17 | STEVE: For me it was okay.

18 | DICK: Oh, was it?

19 | STEVE: Yeah, I wasn't --

20 | DICK: Oh, okay, well, I was having
21 | difficulty hearing you. Is Kathy available?

22 | STEVE: Just a moment. I believe she
23 | probably is. She want, yes, she does want to pass on
24 | information now about the parents.

25 | DICK: Great. I'd like to talk to her.

 STEVE: (to the background) Kathy?

1 Oh, she went to get an address book they tell me.

2 DICK: Okay.

3 STEVE: Apparently the father is somewhere in
4 Chicago and the mother's in Zephyr Hills in, I guess
5 it's somewhere near Tampa.

6 DICK: Okay. Listen, that, that tape you got
7 there, did you wind that all the way back to the start
8 and try to run that? I've been assured that, that tape
9 was good. But they may not have rewound it. Did you
10 guys run it all the way back?

11 STEVE: Yeah, they did. They ran it all the
12 way back.

13 DICK: And you still got nothing?

14 STEVE: Nothing at all. I know it's strange.
15 It's happened to me already, I mean, in using VCR's and
16 so forth, you know, once or twice. I don't know why or
17 how it happened but --.

18 DICK: Okay.

19 STEVE: I accidentally erased one of my own --

20 DICK: You still there?

21 STEVE: Hello?

22 DICK: Yeah, you there?

23 STEVE: Yeah, what happened?

24 DICK: Oh, we just got a disconnect --.

25 STEVE: Okay, here's Kathy. You want to
speak with her?

1 DICK: Certainly, thank you.

2 STEVE: Here she is. Go ahead.

3 KATHY: Hello?

4 DICK: Hi, Kathy.

5 KATHY: Hi.

6 DICK: Listen, I just wanted to pass on our
7 condolences to you and we are totally sorry that the
8 information had to be delivered to you. It's, it's
9 tragic and we just really feel bad about it. But I
10 wanted to talk directly to you because there is going
11 to be an announcement made this morning of the identity
12 of, of your husband, and please, accept our
13 condolences, my particular condolences and the
14 condolences of everybody that's here and the regrets of
15 those folks here.

16 KATHY: You are going to tell his family
17 first before you --

18 DICK: Yes. I'm sure that that is being
19 done. Did the kids have the, the address when they
20 came out? Was that included in the information that
21 you gave the kids when you sent them out?

22 KATHY: No, the address I gave my kids was
23 for my ex.

24 DICK: Okay, well, why don't you give me that
25 information then, Kathy, make sure that that's done.
My guess is that they had been in touch with us

1 | already, but --

2 | KATHY: I don't know.

3 | DICK: Okay, you're not sure that they would
4 | have?

5 | KATHY: I mean, they probably are trying, but
6 | like --

7 | DICK: Okay.

8 | KATHY: -- but, like, you know, I have no way
9 | of getting in touch with them.

10 | DICK: No, I understand that and we'll be
11 | happy to do that for you. You know, we talked about
12 | this yesterday, but given the, you know, what has
13 | happened, I just can't imagine why David wouldn't
14 | understand or why your leaving to try to take care of
15 | some of these issues.

16 | KATHY: What are, it's got nothing to do with
17 | David.

18 | DICK: No, but I'm saying, that for you, this
19 | may be something that you might want to handle. I'll
20 | be glad to do it for you.

21 | KATHY: Maybe, maybe it's something I don't
22 | want to handle. Maybe it's something I don't want to
23 | do, okay?

24 | DICK: Okay, we'll do that, we'll handle it
-25 | for you, then.

 KATHY: Thank you.

1 DICK: We'll handle it for you. Can you give
2 us an address that or a telephone number and we'll go
3 ahead and do that?

4 KATHY: Mike's father is Kenneth Schroeder,
5 area code 312- --

6 DICK: Okay.

7 KATHY: -- 393- --

8 DICK: 393.

9 KATHY: -- 4539.

10 DICK: That's Kenneth Schroeder.

11 KATHY: That's his father.

12 DICK: Okay, what's his mother's name?

13 KATHY: His mother's name is Sandy Connizzo.

14 DICK: Spell, can you spell that last name?

15 KATHY: C-O-N-N-I-Z-Z-O.

16 DICK: Okay.

17 KATHY: She's going to be hysterical.

18 DICK: Now, are the two of them, are they
19 divorced?

20 KATHY: Yes.

21 DICK: Okay, what is her telephone number?

22 KATHY: 813- --

23 DICK: Okay.

24 KATHY: -- 788-1297. She's in Florida.

25 DICK: Now, are these elderly folks?

KATHY: No, not really.

1 DICK: Would there be someone else that we
2 can call that might go over to be with them?

3 KATHY: Yes, please do.

4 DICK: Okay, who might that be?

5 KATHY: Mike has two brothers.

6 DICK: Okay.

7 KATHY: And the oldest is Bob Schroeder.

8 DICK: Okay.

9 KATHY: His number is 813-788- --

10 DICK: Uh-huh.

11 KATHY: -- 2351.

12 DICK: And where is that, Kathy?

13 KATHY: He's in Florida with his mother.

14 DICK: Okay.

15 KATHY: And the other one is James Schroeder,
16 and he's in Illinois, I think, at the time, with his
17 father.

18 DICK: Okay.

19 KATHY: His area, his number is area code
20 312-510-9906. If you can tell the sons, they can go be
21 with their parents.

22 DICK: Okay. How, how long has the two of
23 you been out here, I mean, they, they know where you
24 are and that sort of thing?

25 KATHY: Yeah.

DICK: The family and kids and everything?

1 KATHY: Yes.

2 DICK: So you've been in touch with them.
3 When was the last time you were in touch with them?

4 KATHY: I don't remember.

5 DICK: Okay.

6 KATHY: A few months ago.

7 DICK: All right. But they do know that,
8 that you're here?

9 KATHY: Yes.

10 DICK: Obviously we don't want to, we don't
11 want to --

12 KATHY: And Sandy's going to ask about the
13 children.

14 DICK: Sandy will ask about your kids?

15 KATHY: Yes.

16 DICK: Okay. All right. We'll do that for
17 you. If you think it's better that, that we do it,
18 we'll go ahead and do it. I would like to have you do
19 it knowing that I would like that kind of message
20 delivered personally, but if you don't feel that that's
21 what you should do, then only you can make that
22 decision.

23 KATHY: Well, I would have like to talk to
24 Sandy on the phone, but if I, you won't let me do that,
25 then I have to live with it.

DICK: How about Jacob?

1 KATHY: Yes, I'd like to talk to him on the
2 phone, too.

3 DICK: Well, I know you, I know you would,
4 but I just want to make sure that, especially at this
5 time, that you know that the kids are being well, well
6 cared for. We talked very briefly about it yesterday
7 but, I just want you to know that the kids are taken,
8 taken care of and that, you know, is that something
9 that the kids are going to be able to take from, from a
10 stranger? I mean, how are the kids going to react to
11 that, my question? I know how my kids would react to
12 that, and I just can't imagine a stranger passing on
13 that kind of information.

14 KATHY: That kind of information can be
15 handled by the older three.

16 DICK: The older three you, you feel
17 comfortable that they can, they can do that?

18 KATHY: But the younger, see, that, Mike is
19 not their father. He's their step-father.

20 DICK: No, I under, I understand.

21 KATHY: And they know, they know what David
22 teaches to a degree.

23 DICK: Um-hum.

24 KATHY: So, I think they're strong enough,
25 but --

DICK: Well, you know, I can't quarrel with

1 that because I don't know. I, I have some older kids
2 of my own and I know that that would be a, it would be
3 a horrible subject to try to bring to them by a
4 stranger. I just, I just find it difficult. I want
5 those kids to be able to, to know --

6 KATHY: You see the kids know that their
7 father wasn't here Sunday morning when it happened.

8 DICK: Okay.

9 KATHY: And, and, you know, we were hoping he
10 would try to get home, but obviously that's what he was
11 doing when he got shot. I mean, they already know that
12 he wasn't here with them.

13 DICK: Okay.

14 KATHY: So they already are worried about him
15 to begin with.

16 DICK: Well, I know that they're worried, but
17 being worried and knowing, and being confronted with
18 this are two different things, Kathy. You know that
19 and I know that.

20 KATHY: Well, let me put it this way. If you
21 don't want to tell them, you don't have to.

22 DICK: The kids will be told. We're not
23 going --

24 KATHY: Okay.

25 DICK: -- to leave these kids --

KATHY: Okay. The kids can be told, just not

1 the youngest one. The youngest one is Mike's, he will
2 be three tomorrow and he, I mean, he got sick, you know
3 how bad he got sick --

4 DICK: Um-hum.

5 KATHY: -- just from Sunday's business.

6 DICK: Um-hum.

7 KATHY: That's what caused him to get sick,
8 was the stress of everything that was going on, having
9 to get down on the floor and, you know, scared.

10 DICK: Certainly, certainly.

11 KATHY: That's the reason he's sick.

12 DICK: I'm sure it did.

13 KATHY: So not telling him will keep him from
14 getting sick again.

15 DICK: All right. But do you think that's
16 something that can be kept from him by the other three?

17 KATHY: Oh, sure.

18 DICK: All right, well, you're the best,
19 you're the best judge of that, Kathy.

20 KATHY: They, they take care of him and they
21 can, you know, they can know what to say and what not
22 to say.

23 DICK: Well, you're the best judge of that, I

24 --

25 KATHY: Well, you've seen how well, how well
educated and how well trained the children are and how

1 smart they are.

2 DICK: Well, they're good kids. They're good
3 kids, but, you've done a nice job with them. I just, I
4 just want you to go on doing that job with them.

5 KATHY: So do I.

6 DICK: It's important. It's important to
7 them, it's important to you.

8 KATHY: So do I.

9 DICK: Kathy, is there anything I can do for
10 you personally?

11 KATHY: Sure. Talk to somebody about getting
12 these Bradley's off.

13 DICK: Just leave? Have everybody leave?

14 KATHY: Yeah. Take these Bradley's off our
15 property. I wouldn't mind.

16 DICK: Just have the Bradley's leave and the
17 agents leave and --

18 KATHY: And --

19 DICK: -- and the press leave?

20 KATHY: No, I'd like to have some open
21 communication to the press. That would be nice. And
22 the ability to call my mother. That would be nice.

23 DICK: You will have that ability. I
24 guarantee it.

25 KATHY: That's, that's fine. All those
things and we'll be fine.

1 DICK: That, that's here for you anytime you
2 want to come out. That's here for you.

3 KATHY: No, here, here, in my home.

4 DICK: I understand what you're saying, but
5 you'll have to understand what I'm saying --

6 KATHY: Okay, well --

7 DICK: That's not going to happen while
8 you're there. It's, --

9 KATHY: -- well, then, I'm not going to come
10 out.

11 DICK: -- you need to come out and take care
12 of it.

13 KATHY: And I can't come out.

14 DICK: Okay. That's your choice. That's
15 your choice.

16 KATHY: I don't want to come out there and
17 get thrown in jail and I've stated it before.

18 DICK: Well, hold it. If that's your reason
19 we can discuss that. Why, why, everybody seems to have
20 this sense --

21 KATHY: We have already discussed it.

22 DICK: Kathy, did you shoot anybody?

23 KATHY: -- you know -- agents, you know --
24 Hey, it doesn't matter.

25 DICK: It does matter.

 KATHY: You can tell, you can tell them I did

1 | though. And lies have been thrown around so many
2 | times, I wouldn't put it past you.

3 | DICK: Kathy, if you shot somebody then you
4 | have some concerns. If you did not shoot anybody you
5 | have very limited concerns.

6 | KATHY: Well, how about the people out there
7 | --

8 | DICK: Temporary concerns.

9 | KATHY: -- that shot people? Are they
10 | concerned?

11 | DICK: Yes, they have, they are concerned.
12 | They're no longer --

13 | KATHY: Are they going to get thrown in jail
14 | for the people they killed? What about the baby they
15 | killed?

16 | DICK: They're no longer on duty. They're no
17 | longer on duty.

18 | KATHY: Oh, and you're exactly sure which
19 | ones shot the baby?

20 | DICK: No. I'm saying the ATF agents that
21 | were involved --

22 | KATHY: And you know who shot my husband?

23 | DICK: Kathy, will you listen to me for a
24 | second? Just a second, please, I'm trying to answer
25 | your question. The agents that were here, involved,
are no longer on duty. They are off, they have, they

1 have been taken off of duty and an inquiry has been
2 begun into this whole matter. They are no longer
3 working.

4 KATHY: All of them.

5 DICK: The agents that were here, yes.
6 They've, all this is going to come out during the
7 investigation and congressional inquiry. The FBI is
8 doing an inquiry.

9 KATHY: Well, an inquiry, I've been in the
10 service, okay?

11 DICK: Okay.

12 KATHY: An inquiry is not the same as a
13 trial.

14 DICK: But that's where it begins.

15 KATHY: That's where it begins, --

16 DICK: The facts have to come out and in the
17 trial.

18 KATHY: But, yeah, but the same agency that's
19 being investigated is the one doing the investigating.

20 DICK: No, not so. The FBI was not involved
21 in that shooting. We are doing an investigation. The
22 Department of Justice is doing an investigation. The
23 United States Congress is doing an investigation. Not
24 the ATF. That's unacceptable. The ATF does, will not
25 do the, they will do their internal investigation,
obviously, but that's not what's going to be the

1 determining factor in what, in any kind of court action
2 is taken. Not the ATF. It has nothing to do with them
3 any longer.

4 Why do you suppose the FBI is here? Why do you
5 suppose I am on the telephone with you? The ATF has
6 their own negotiators. If this is an FBI operation, in
7 cooperation with ATF, the FBI will do the internal
8 inquiry, will do the interviews and pass that on to the
9 appropriate people in the Department of Justice. Not
10 the ATF. I hope that everybody has that straight in
11 their mind. In fact, you've got an attorney in there,
12 he should be able to, be able to advise you on some of
13 that stuff. But, I will guarantee you that it is not
14 ATF that's going to be doing this thing.

15 The paper I was, I guess I didn't get a chance to
16 talk to you yesterday, but I had a copy of the Waco
17 paper yesterday, and it very clearly noted the
18 internal, the inquiry by Congress that's taking place.

19 KATHY: Well, I heard on the radio some, some
20 citizens themselves are --

21 DICK: Citizens groups?

22 KATHY: -- filing, filing, yeah.

23 DICK: Absolutely. I'll tell you what, the
24 ACLU is going to be so supportive of, of this, of you
25 -- Every person out there with any kind of --

 KATHY: If everybody's so supportive of us,

1 | why do you still have Bradley's on our property? I
2 | don't --

3 | DICK: Kathy, listen. This is a point that
4 | is very clear. We are not going to leave until you come
5 | out.

6 | KATHY: Why?

7 | DICK: Whether it be today, tomorrow --

8 | KATHY: Why? I don't understand why.

9 | DICK: Why? Because we can't. There have
10 | been people killed.

11 | KATHY: Well there have been people killed
12 | here.

13 | DICK: Outside and inside.

14 | KATHY: I mean, --

15 | DICK: Sure there have, and that's why we're
16 | here to resolve it.

17 | KATHY: Well, we're here --

18 | DICK: We can't leave until that's done.

19 | KATHY: Well, we can't leave either.

20 | DICK: Well.

21 | KATHY: Until that's done.

22 | DICK: Let me tell you something. The FBI is
23 | not going to leave. I may be here as long as it takes.
24 | Now, I got seven years left before I even give
25 | retirement any consideration. I'll be here every day
if that's what it takes.

1 Those Bradley's will be there every day until you
2 folks come out of there. You can come out and tell
3 your story.

4 KATHY: Well, why can't we tell it from here?
5 This is my home.

6 DICK: Because you can't. We have to do a
7 crime scene investigation there to begin with. You
8 want to tell there's forensic evidence that will
9 support what you have to say.

10 KATHY: There's also video's out there that
11 support what we have to say.

12 DICK: Well, certainly. We have those.

13 KATHY: They're not allowed to be shown.

14 DICK: We have those. Those will be part of
15 the evidence. All this stuff --

16 KATHY: Will be, will be. Everything is will
17 be. (indiscernible)

18 DICK: It is part. It is part. It's been
19 entered into evidence already. Those newspaper tapes,
20 I mean those news media tapes are entered into evidence
21 now. We need --

22 KATHY: How come they're not made public
23 though? Because it's entered into your evidence?
24 Into, into your investigation, Congress's
25 investigation?

 DICK: It's part of Congressional

1 investigation. Yes, it will be part of that. It's
2 part of the court proceedings.

3 KATHY: I want it part of public knowledge.

4 DICK: The court of public opinion,--

5 KATHY; I mean --

6 DICK: -- obviously. I mentioned that.

7 KATHY: Public, public knowledge is a better
8 jury than all federal agencies combined.

9 DICK: It will be. It's on the media all
10 over this country right now.

11 KATHY: Okay, that video of what happened
12 Sunday morning?

13 DICK: All kinds of video's. That video,
14 yes, has been on television. I saw it myself before I
15 ever came here.

16 KATHY: Un-edited?

17 DICK: I didn't see the complete one. We
18 don't edit those things. We are not in a position to
19 edit evidence.

20 KATHY: I haven't seen it and I don't --

21 DICK: Well, I have.

22 KATHY: -- know if anybody here has seen it
23 because --

24 DICK: Ask your attorney there. Ask Wayne
25 what we're able to do with that kind of thing.

KATHY: I heard, I heard phone calls on the

1 | radio saying that video couldn't, all right, Steve
2 | wants to talk to you about that. You just please take
3 | care of --

4 | DICK: Now, listen, let me clear up the
5 | points with you.

6 | KATHY: -- Mike's family, okay?

7 | DICK: You're the person that has the
8 | questions. Let, Steve and I will talk later. Let me
9 | clear this up with you, okay? You have questions, I
10 | want to make sure that you get answers, and anybody
11 | else in there that has questions, we will be happy to
12 | give those answers too.

13 | KATHY: If you give them correctly to Steve,
14 | then we can get them. But you're not even telling
15 | Steve everything.

16 | DICK: Well, --

17 | KATHY: So how can I believe you're going to
18 | tell me? He's got a much --

19 | DICK: I'm telling Steve everything that I
20 | can.

21 | KATHY: He's got a much, he's got a much more
22 | ability to speak with you than I do.

23 | DICK: But he's not the mother of your
24 | children, is he?

25 | KATHY: No.

 DICK: Okay.

1 KATHY: But he loves my children.

2 DICK: He may well love your children. But
3 you're the mother of those children. Steve is not
4 going to care for those children. You, as their
5 mother, are going to care for them. They love you.
6 They may care for Steve, but they love you. The
7 attachment is to you, not to Steve or anybody else. I
8 want to make you feel comfortable with the answer to
9 your questions. Steve, certainly, I'll be able to pass
10 the information on to him, too.

11 KATHY: I've heard the information Steve's
12 getting. That's why I'm telling you. It's not
13 questions I have. I'm telling you the same thing
14 Steve's telling you. You're not giving me a
15 comfortable answer. You're not making me comfortable.

16 DICK: Well, what will make you comfortable
17 is for the law enforcement people to withdraw, and
18 that's not going to happen. So, we have to go on from
19 there.

20 KATHY: Okay, let's go on, let's skip that
21 point then, --

22 DICK: Okay.

23 KATHY: If that's not going to happen, --

24 DICK: Okay.

25 KATHY: -- why can't we have the news
coverage we want? Why can't the public know what's

1 | going on here? I know exactly where those tanks are
2 | positioned. I know the news media don't know where
3 | they are. I'm not stupid.

4 | DICK: Well, you think, if you watch the news
5 | there, they've asked all kind of questions about
6 | Bradley's. The newspaper people and the media know
7 | about Bradley's.

8 | KATHY: Sure.

9 | DICK: Haven't you heard it mentioned on
10 | television?

11 | KATHY: Sure. Do they know where they are?

12 | DICK: Certainly they know where they are.

13 | KATHY: No, they do not.

14 | DICK: I'm telling you that they absolutely
15 | know that there are Bradley's here and --

16 | KATHY: Around our perimeter, maybe.

17 | DICK: There --

18 | KATHY: They know, they know there's one at
19 | the front.

20 | DICK: Kathy, the Bradley's will be where we,
21 | not me personally because I don't make those decisions,
22 | the Bradley's will be where the people that are making
23 | the decisions want them to be.

24 | KATHY: Right.

25 | DICK: Okay? I have passed on to them,
they're your concerns.

1 KATHY: That's fine. That's fine.

2 DICK: That is an issue that is not debatable
3 any longer.

4 KATHY: Okay. That's not my issue.

5 DICK: Okay, let's go on to your issue.

6 KATHY: Put them where you want them, but
7 please let's have our open communication with the media
8 and let them know what you're doing.

9 DICK: You will have the open communication
10 with the media as soon as you choose to take that
11 option.

12 KATHY: We have. We've asked you a million
13 times. We even asked for milk for our babies and you
14 didn't bring it.

15 DICK: Come out and you will have all those
16 things. The milk, all those things --

17 KATHY: That was asked for yesterday?

18 DICK: Pardon me?

19 KATHY: You brought something we didn't ask
20 for. You brought something to pull on my heartstrings,
21 you showed me my kids pictures, --

22 DICK: Now hold it. We brought that at the
23 request of, of --

24 KATHY: And we need milk for the babies that
25 are here.

DICK: Now, listen. I want to addressed that

1 | issue because what you're doing is telling me that I'm
2 | a liar, and I'm not a liar.

3 | KATHY: Yes, I am telling you that because
4 | no, we did not ask for the video, --

5 | DICK: Okay, listen, --

6 | KATHY: -- and no, we did not ask for the --

7 | DICK: No, you didn't ask specifically. What
8 | you said was that you were concerned that the kids were
9 | being farmed out --

10 | KATHY: Right.

11 | DICK: -- to foster homes.

12 | KATHY: Okay.

13 | DICK: We wanted to indicate to you that that
14 | was not being done and that the kids are together.

15 | KATHY: Okay, but we specifically asked for
16 | the six gallons of milk, didn't we?

17 | DICK: Okay, but let me finish my point,
18 | okay? How better to do it but to send you pictures of
19 | the kids together? You're not going to believe me if I
20 | tell you that they're all together, are you?

21 | KATHY: I don't believe this. I just heard
22 | that David gave you a thousand dollars cash when he
23 | asked for that milk?

24 | DICK: David sent out a thousand dollars with
25 | the kids.

KATHY: When he asked for the telephone?

1 DICK: What is the point? I mean, if it was
2 milk for the kids, I'd pay for it myself.

3 KATHY: Yeah, yeah, get the milk for the
4 kids. Here's Steve.

5 STEVE: What, what's come of that? I
6 remember when I was last on the telephone with you
7 yesterday, I was asking about taking care of, there was
8 different items --

9 DICK: I know, I know that.

10 STEVE: What ever came of that, Dick?

11 DICK: Listen. We're here trying to resolve
12 a number of issues. The FBI, the government is not
13 going to be in a position of furnishing groceries to
14 you folks inside to prolong this thing.

15 STEVE: Wait a minute, wait a minute, can I
16 tell, now, this is the truth, I don't know where you've
17 --

18 DICK: Okay.

19 STEVE: -- been in the last six, seven days,
20 --

21 DICK: Well, I've been right here.

22 STEVE: -- yeah, but it was Jim, and I
23 believe it was Henry, there's been a number of these
24 guys that asked if we needed any supplies, any food
25 even, that is, you go back and if you've been taping
all this, --

1 DICK: Okay, sure.

2 STEVE: -- you can review that. Because they
3 asked us, and we've never, I said no, we're fine, I
4 said over and over again. David comes up with one
5 request. Maybe he's testing you guys to see the
6 honesty and all the rest, the integrity of your, your
7 group there. Six gallons of milk to me is nothing. I
8 can tell you one thing for sure right now that we can
9 survive with or without it --

10 DICK: I understand that. I understand.

11 STEVE: It's like me asking you to send me a
12 scoop of ice cream here.

13 DICK: Okay. My --

14 STEVE: So when he asks you for six gallons,
15 why didn't he ask for one or twenty. There's a reason,
16 and we're getting to see what you truly are about. So
17 you want us to come out, you want to get into
18 negotiation, you want to keep this thing open and so
19 forth, it doesn't seem like it to me. You're not being
20 real with us. You really are --

21 DICK: Now, may I make my point, now --

22 STEVE: Let's go around this merry-go-round
23 again, go ahead.

24 DICK: Okay. The milk is available, however,
25 I told you yesterday, and I asked you, personally, if
you would do this for me. I asked you, please, I want

1 to get the milk in to you, and if it was up to me, I
2 would bring it personally to you, however, there are
3 other decision makers --

4 STEVE: Well, you tell the, listen, if
5 there's --

6 DICK: Listen, let me finish my thoughts,
7 Steve, please.

8 STEVE: Well, just before I forget, you tell
9 that conference that will be going on something this
10 morning maybe?

11 DICK: Um-hum.

12 STEVE: That we're at a, we are at a
13 stalemate.

14 DICK: Well, let me, let me finish my thought
15 here.

16 STEVE: Go ahead.

17 DICK: The milk is available to you in two
18 fashions. You send the kids out here to, so that
19 they're cared for properly. You don't need those kids
20 in there. Or, two --

21 STEVE: It's the parents. You've got to
22 convince the parents to --

23 DICK: I will be happy to convince the
24 parents. I will, in fact, when we finish with this
25 conversation, I would like you to put a parent on for
me. I will talk to each one of them individually. But

1 | let me just tell you the second part of that. You can
2 | send the children out, they will get the appropriate
3 | care until this thing is resolved and then they'll be
4 | back with their loved ones, or two, you can send me out
5 | kids and I will send the milk in. Those are the two
6 | options. It's your choice. It's your responsibility,
7 | --

8 | STEVE: Okay.

9 | DICK: -- not mine.

10 | STEVE: All right.

11 | DICK: I've told you how -- accomplish this.

12 | STEVE: Let's you and I, let's you and I get
13 | ready for a long winter.

14 | DICK: Long winter, winter's gone. We're
15 | into the, we're into the spring here.

16 | STEVE: No, I'm talking about the one to
17 | come.

18 | DICK: The winter to come. All right, I'll
19 | tell you what. Why don't you put the parents on? Let
20 | me talk to one of the parents that's concerned about
21 | their kids.

22 | STEVE: There's none here, I'm sorry. Just a
23 | minute. Yeah, like David just said, just come and
24 | kill us like you would like to.

25 | DICK: Nobody is going to hurt you --

 STEVE: That's what he said, --

1 DICK: Well, nobody is going to hurt you.

2 STEVE: That's his statement to you.

3 DICK: That's a statement, that I don't
4 believe David --

5 STEVE: Why don't you give that statement --
6 to the press by him --

7 DICK: I don't believe David would make a
8 statement like that.

9 STEVE: No, he just did, --

10 DICK: I don't think so.

11 STEVE: Use your psychology --

12 DICK: I don't think David would say that. I
13 don't believe, I think --

14 STEVE: You want me to put the, I'll put the
15 phone down on you, Dick and we'll stop communication
16 right here and now, do you want to do that?

17 DICK: Have David talk to me, and --

18 STEVE: Did you hear what, no, no, Dick, did
19 you hear what I said to you?

20 DICK: Steve, what did, yesterday you said
21 you weren't going to yell --

22 STEVE: I'm going to put the phone, we'll
23 pull the plug, you won't talk to anybody.

24 DICK: Steve, --

25 STEVE: Are you listening to me?

DICK: I am. You told me yesterday you

1 weren't going to yell.

2 STEVE: No, no, you start giving me your kind
3 of threats and you, you play your games with me. When
4 he gave you a thousand dollars, Jim said, we're about
5 done with your kind of mouth. We're about done with
6 your words and your manners. You understand?

7 DICK: Here --

8 STEVE: Not maybe. If you want to come in
9 and do your job, you go right ahead any time you are
10 ready in the manner you want to. But you, you watch
11 the heavens open up and what's going to happen to your
12 butt, and I'm not joking you. It may, you may not
13 believe in God, but it will happen --

14 DICK: This is not a joke.

15 STEVE: You're going to see this earth shake
16 and your knees are going to smote together. You won't
17 know where you're going or what you're doing. You, you
18 want, for once in your life, Dick, you messed around
19 with the wrong person, For once in your life. Your
20 agency then, people like yourselves.

21 BACKGROUND VOICE: He better make sure he's
22 right with God.

23 STEVE: You better make sure you're right
24 with God and have been sincere all these years and
25 doing the best you can. You've run into an author that
can show you every word of that book that shows how

1 your soul got into this earth and how it can get out of
2 this place.

3 Look it, we've been going around and around with
4 you for just about a week now. Monday was given to
5 you, agreements were made right from day one. You've
6 never complied with those as you said you would.

7 BACKGROUND VOICE: Freedom of religion.
8 we're waiting on God. What's his problem? This is
9 nuts.

10 DICK: I'm listening and --

11 BACKGROUND VOICE: What do we have to do?

12 DICK: I'm trying to hear what's going on in
13 the background there. I know somebody is concerned,
14 and, listen --

15 STEVE: Yeah, their standing back here, --

16 DICK: Let's go and --

17 STEVE: No, no, we're going by your actions.

18 DICK: I understand.

19 STEVE: Number one, your actions have shown
20 you --

21 BACKGROUND VOICE: (indiscernible)

22 STEVE: Okay, can I say one last thing
23 because of what he said here to me?

24 DICK: I'm sorry, go ahead.

25 STEVE: Okay. It gets right back here to
your breaking connections to the, to the freedom of

1 | press, the outside world, to be able to speak -- We
2 | realize that you have the ability, and it's not below
3 | you people to do something like to erase all evidences.
4 | Why do you have the press so far back? You can give me
5 | any kind of crap you want, all this stories and
6 | nonsense. I know, you know, the reason we're not
7 | talking to the press is you people have got to cover
8 | your butts from what you did, what you've been doing in
9 | this country, and that's what's going here. That,
10 | Dick, that's what's going on here.

11 | Let the press come in with their cameras and start
12 | filming this building alone. You might as well get
13 | your Bradley's out here, burn it down or do whatever
14 | you want to do. But I tell you what, it's already been
15 | filmed by God. This whole, this whole world will get
16 | to see this all re-played again. His, His cameras are
17 | much more sophisticated than yours or mine.

18 | Here, somebody else wants to talk to you. Dick,
19 | are you there?

20 | DICK: Yes.

21 | JUDY: Dick?

22 | DICK: Who's this?

23 | JUDY: This is Judy.

24 | DICK: Hi, Judy.

25 | JUDY: So, what's up today?

 DICK: Well, what we're trying to ensure is

1 that we get this issue resolved and, and we're trying
2 to figure out a way to go about it. We've, we've made
3 our thoughts known to, to David and to Steve and to you
4 folks, and --

5 JUDY: Now, listen, okay, you've made your
6 thoughts known to us. We'd like to make our thoughts
7 known to the world.

8 DICK: We have been listening.

9 JUDY: No, no, they're not getting past you
10 guys and --

11 DICK: Okay.

12 JUDY: -- of course there's going to be
13 putrefied a bit coming from you, I mean, so is there
14 any way we can get a message out to the world?

15 DICK: Um-hum.

16 JUDY: Hold on, just a minute.

17 STEVE: Dick, it's been stated by, over the
18 airways, over the radio, there's been a number of
19 people that have wanted to come in and be a negotiator
20 between ourselves and you. Do you hear me?

21 DICK: We've had all kinds of people say
22 that. Some of whom, you can't believe some of them.

23 STEVE: Yeah, you know, and so far it's,
24 we're not doing so well with yourself being the ones
25 that are there to arrest us. I do believe it would be
in the best interest of all if there was a news person

1 in between yourselves and ourselves that gets to hear,
2 that can communicate, that is not biased. We'd about
3 take anybody.

4 DICK: Okay.

5 STEVE: But right now, it seems like we're
6 coming to a stalemate, you know, and we're not getting
7 anywhere --.

8 DICK: Who would you like to have here, when
9 you guys come out, who would you like to invite here?

10 STEVE: No, no, you, boy, you've got rocks in
11 your ears, Dick.

12 DICK: Okay, explain to me, I'm sorry, go
13 ahead.

14 STEVE: You say when we come out. I'm
15 talking about right now. Let's get somebody in between
16 us, right now to do some negotiating.

17 DICK: Who are we talking about?

18 STEVE: It's failing with you and I because
19 --

20 DICK: I know, but who are you speaking of?

21 STEVE: -- six gallons, six gallons of, well,
22 we'll come up with a name. I'll give it some time
23 here. We'll talk to you later in the day.

24 DICK: Well, we'll be happy to listen to
25 whatever you say. You know, give us a name and, and
tell us --

1 STEVE: I mean it's failed with having the
2 respect like, you told us, about removing some, the
3 body of a young man whose parents are even here. You
4 haven't, you haven't come through on anything, the
5 milk, we've given you a thousand dollars. Look at the
6 lousy telephone you gave us. Look at how long it took
7 for that telephone line and the phone to even come here
8 after it was agreed upon. Days later.

9 DICK: I apologized to that, to you for that,
10 did I not?

11 STEVE: And then, and then, you know, you
12 people have tried to bring up to me over and over again
13 how that one day, he said he'd play the tape to the
14 press and we would walk out. You've got one thing
15 there, and all we've said in response to that is wait.
16 His God said to wait, nothing else. That's one, that's
17 one thing. But yet, right from the beginning when,
18 I'll keep on bringing it up, these Bradley's being on
19 the property --

20 DICK: Didn't you have an hour's access to
21 the press? It was un-edited by anyone. Did, David
22 wanted, made that request and, and we handled that for
23 you.

24 STEVE: Why, okay, can you tell me something,
25 Dick? Why was it you didn't cut us off right away?
You didn't have the ability? You didn't think about it

1 --

2 DICK: To cut off what?

3 STEVE: How come you didn't cut us off right
4 away from the press then?

5 DICK: Because David, David made that request
6 and indicated that he and all the rest of you would
7 come out if he could make this press, release -- press.

8 STEVE: No, no, I'm talking about, you know,
9 you know, that Sunday I was talking to the press, on
10 Sunday evening, on the telephone. That was, that was
11 about the time you people start cutting our lines and
12 all of a sudden we started having phone problems.

13 DICK: Steve, did we give you access to the
14 press when you asked?

15 STEVE: Not directly, no, you did not.

16 DICK: That tape, you guys made the tape. We
17 didn't make that.

18 STEVE: No, no, that was no access to the
19 press at all, no, that's --

20 DICK: My gosh, that's a national christian
21 station.

22 STEVE: I don't, that was not an NBC, CBS,
23 that's beside the point --

24 DICK: Well, it was all over -- Steve, that's
25 incorrect because it was all over this country --

STEVE: That's fine, but, but Dick, Dick,

1 that was like a letter. That was not open
2 communication for anyone to see if we're still living,
3 like, you know, we've been hearing the different ones
4 concerned also. Are they truly alive? Well, it's
5 because of your position, where you're at, your
6 control. You know, there could be 250 million people
7 in this country with a voice and it wouldn't mean a
8 damn thing when you've got a little group of
9 yourselves, little demigod's that have chosen what you
10 choose to do. Those people could rise up and vote
11 against you and it would still would mean diddly.

12 The voice of America is not being heard anymore.
13 It's a handful of people like yourself making
14 decisions. Your agency, not even chosen to be, not
15 even have anything to do with the constitution, brought
16 about and can't even be, you can't even be voted out of
17 office or anything else. Who do you answer to? Not to
18 the people. Just like the IRS.

19 What's happening Dick? Are you covering the phone
20 and looking at your fellow man there?

21 DICK: No, I'm listening to you. You asked
22 me to listen, I'm doing that, Steve. I want to listen
23 to you --

24 STEVE: I -- make certain statements and I'm
25 always going to hear you putting your hand over the
receiver, moving around or --

1 DICK: Well, of course I'm moving around.
2 I'm moving around. I'm sitting on a hard-backed chair,
3 but I'm listening to everything --

4 STEVE: What are we going to do now? Here's
5 what I've been talking about.

6 DICK: Okay.

7 STEVE: Right now, we've been, the, the
8 biggest thing that we've been unhappy about from day
9 one is you cut our telephone lines. If you want us to
10 stay in here until the day you and I are finally done
11 with all this, and not your way, that'll be fine,
12 'cause that's about the way it looks it's going to be.
13 By your choice. You open up those lines, in fact, we
14 were doing actually very well with you people. That's
15 why it came about the way it did, up until Tuesday, it
16 actually did. But since those days, it's been eroding
17 quite rapidly. The games you're playing over milk and
18 you give us this and we'll give you that, I'll tell you
19 what we'll give you, we'll give you a coming out, you
20 open those lines, we'll pick up from where we were. If
21 you don't want to, well, --

22 DICK: Yeah, but how can I --

23 STEVE: -- let's, we can, you and I can talk
24 with each other there until the day you decide it's
25 over.

 DICK: Okay. Let me ask you, let me ask you

1 a question, Steve.

2 STEVE: Go ahead.

3 DICK: How can I depend on what you say to be
4 the truth? Because you've proven to me, in the past,

5 --

6 STEVE: I have?

7 DICK: David has. David.

8 STEVE: All right, and how has he proven to
9 you?

10 DICK: David said, and let, you correct me,
11 please, if I'm wrong, please, feel free.

12 STEVE: -- the incident about what he said
13 about the tape?

14 DICK: That's --

15 STEVE: Then you and I are going to back up
16 further then, --.

17 DICK: No, but I'm asking you, how can --

18 STEVE: No, no, no.

19 DICK: I'm asking how, how --

20 STEVE: Dick, how do we trust you when you
21 lied. When I say that, I'm saying that generically,
22 with your agency. I'm talking about Sunday night,
23 Monday, Tuesday, Wednesday. I can, you want me to give
24 you a list? We'll go right in detail and the only
25 thing you've got on us is one thing, Dick, one thing,
and all we said with that is wait, 'cause God said to

1 | wait, that's all. And we can see why now. You people
2 | never came through on the very promises you made in the
3 | beginning, about those of us that are wounded, or the
4 | dead, you said you would take off the premises. You
5 | would allow us to take them off, you would work with us
6 | on that. That has not happened.

7 | DICK: Well, I'm still trying to get someone
8 | to, to understand. That's the thing that we talked
9 | about.

10 | STEVE: Do you see what an insult it is to
11 | the people in this compound, though as you call it? I
12 | mean, when you make a statement about the wounded and,
13 | and you, by the way, it was you people that originally
14 | said about bringing in the food and whatever we might
15 | need, supplies, and all of a sudden now I get totally
16 | something opposite. Dick, come on. Unless my memory
17 | is so faulty, you know -- Don't keep up bringing up
18 | one incident to me when you, there's so many on the
19 | other side, so many things you people have broken.

20 | DICK: Listen, I, I hear what you're saying,
21 | okay? I hear what you're saying. And there are some
22 | things that, that I asked to be done that, you know,
23 | right now are being considered, and, and some that are
24 | rejected. I'm not going to lie to you. I'm, I'm not
25 | going to tell you that everything that we have talked
 | about, -- I mean, we, we wanted to get certain things

1 done that you want done also, but again, I don't
2 necessary --

3 STEVE: You know the greatest thing, okay,
4 but you know the greatest would be though, seriously,
5 --

6 DICK: What's that?

7 STEVE: -- we don't trust you, because we
8 really don't, not as individuals, some of the people we
9 might speak to, but even then, of course, I don't know
10 you.

11 DICK: Certainly.

12 STEVE: I mean, there's so many things --

13 DICK: I know you don't and I wish you did
14 because I think that the two of us, we could get this
15 done, we could communicate with one another --

16 STEVE: Well, I'll be honest. I actually
17 thought we were coming out right up until that day, and
18 since those days it seems like there's been an erosion,
19 and that erosion, especially revolves around our being
20 cut off, our telephones being cut off. If we had one
21 line to be able to talk to a radio station, or anything
22 about our views, to be able to say something, that
23 would make a difference.

24 But of course, you know, that's where the problem
25 lies because you don't want the information to be told
in the first place.

1 DICK: Well --

2 STEVE: It's counterproductive, apparently,
3 for yourselves.

4 DICK: It's, that's untrue, but I, I know
5 what you're saying.

6 STEVE: Then show me otherwise, Dick. Show
7 me otherwise.

8 DICK: You know, you're talk, can I, can I
9 just interject one thing here. You talked about a
10 list, we have a number of people here that have made
11 inquiries on behalf of some of the folks in there with
12 you.

13 STEVE: Yeah.

14 DICK: And I think John mentioned them last
15 night, but I, I guess you probably didn't get a chance
16 to write them down or anything.

17 STEVE: I didn't.

18 DICK: I wonder if it might not be reasonable
19 to talk to these folks and let them know people are
20 asking about them and they're passing on their, you
21 know, their wishes, their best wishes and support and
22 that sort of thing. Do you think that would be
23 appropriate to do that?

24 STEVE: I don't know if it would be. Let me
25 ask David if that would be appropriate. (In the
background) There are certain, David, there are --

1 We could put every individual on the phone that has a
2 relative or friend or whatever else there --

3 DICK: Okay, that would be fine. Or you --

4 STEVE: No, wait, no, no why should we go
5 about --

6 DICK: Well, you don't have to, this is --

7 STEVE: There's a couple in the hallway here
8 right now, and they're asking me, well, what's to be
9 gained by it?

10 DICK: Well, there's nothing to be gained.
11 I'll tell you what, if you find that unacceptable, let
12 me just give you a list of the folks and you can pass
13 it along. I'm not trying to play a trick on you.

14 STEVE: No, no, no. I know, but the whole
15 thing is, we're still trying to work something out with
16 you people and I see that it doesn't look like we're
17 going to be going any further. Not because we don't
18 want to, --

19 DICK: We both want to.

20 STEVE: But to open up our lives and so
21 forth, to come walking out, that's one thing. But
22 show, you want to show us some trust? Then leave --
23 what problem? You tell me something ahead of time now.
24 You go talk to your commander, you go talk to those men
25 there, you ask them what the problem was when we did
have the phone lines Mon-- or Sunday. Right until

1 Monday morning. What, what problem, you come back and
2 tell me what was going on that you didn't like and that
3 you felt that you needed to cut it off. Give me a good
4 reason for it, okay?

5 DICK: I'll give you a reason. You may not
6 accept it as being good.

7 STEVE: Okay, you go ahead and give me the
8 reason.

9 DICK: Many times, in these kinds of
10 situations, what you have is people on the outside
11 trying to call in, they're screwballs that will call in
12 and pass on erroneous information to you, and --

13 STEVE: That didn't happen. All we talked to
14 is the press.

15 DICK: Well, it will happen. I, you know, it
16 will happen.

17 STEVE: All we talked to is the press. Very
18 well knowing people that are very high up in the areas
19 of the news media.

20 DICK: Well, you did them, but I'm telling
21 you what will happen. It will be all kinds of people
22 that want to agitate and they want to, they want to get
23 things, --

24 STEVE: You don't think --

25 DICK: -- because they like to see shootings.
I mean, they like to see these things.

1 STEVE: You don't think we, listen, you don't
2 think David and I are able to handle that after being
3 in a, in a realm of speaking with people in spiritual
4 levels for years where all you get is nothing but every
5 kind of a freak from people that are logical thinkers
6 to those that are the other extreme?

7 DICK: Sure, sure.

8 STEVE: And we're not offended easy.

9 DICK: Sure.

10 STEVE: If one doesn't have the common sense
11 and so forth to see through it all, to see what the
12 motives are by these people, and so far we haven't had
13 any of that.

14 DICK: Well, you would have.

15 STEVE: Show me that. Show me that.

16 DICK: You will have. You would have.

17 STEVE: Give me an example. Show me that
18 ahead of time.

19 DICK: Do you want me to give you these
20 names? Do you want to write them down?

21 STEVE: No, I'm still waiting about the
22 telephone line.

23 DICK: Well, the telephone lines will not be
24 restored. At least at this point in time. Now, you
25 know, I'll pass your wishes on, but they're not going
to be restored. And I've given you the reason, the

1 reason for it, and a second reason obviously is that we
2 need to talk to one another --

3 STEVE: I don't -- The truth of the matter
4 is, you know I don't buy that.

5 DICK: You don't, you don't buy what?

6 STEVE: Your reason, given why --

7 DICK: That's one of several reasons.
8 There's one of several reasons. But I'm telling you,
9 that, that will happen. A second reason is that we
10 need to talk back and forth to one another.

11 STEVE: Well let's, okay, so we've got many
12 phone lines, we'll keep one open for that like we did
13 Sunday. It was me, it was, that called you people in
14 the first place. Right away when those men came to the
15 door, shooting through the door, it was me on the
16 telephone. Wayne Martin and I, calling on the phone,
17 trying to get your attention as to what was going on.
18 It wasn't you calling us, you know, Dick. You realize
19 that, don't you?

20 DICK: Um-hum.

21 STEVE: You people didn't call us all day
22 long, it was us calling you trying to find out why you
23 were over here killing people. What had happened? Why,
24 why the violence?

25 DICK: The FBI was not here at that time at
all.

1 STEVE: We were told, we've heard from, I
2 think it was Jim and other different sources, that all
3 the agencies have been involved.

4 DICK: Since when now? When are we talking
5 about?

6 STEVE: For months already.

7 DICK: Well, that's not true. This is an ATF
8 case.

9 STEVE: It's an ATF case, but we hear that
10 all the different agencies were called together --

11 DICK: Well, see, that's, that's a perfect
12 example of, of the erroneous information --

13 STEVE: But we're going to, whether we have,
14 now, don't use that as an excuse 'cause whether we have
15 a telephone line or two or three open or not, there's
16 still going to be that by your own people. Erroneous,
17 you man on the television, yesterday, gave erroneous
18 information to the press, to the, America.

19 DICK: Well, we, we talked about that. We
20 know --

21 STEVE: Yeah, no, but what I'm saying is
22 don't use that, what I'm saying is don't use that as an
23 excuse when it happens by you people anyhow.

24 DICK: I'm not using it as an excuse, I'm
25 just trying to tell you why certain things are done.
I'm not --

1 STEVE: Well, it's a poor reason. It's no,
2 it's not a good reason.

3 DICK: Well, you know, I, I'm, you won't
4 accept it for a reason, but I'm telling you --

5 STEVE: Well, of course not.

6 DICK: -- what my experience has been.

7 STEVE: Of course I don't accept it.

8 DICK: Okay. Well, I'm telling you what my
9 experience has been, and you're telling me that that's
10 not acceptable. I'm telling you what is and I'm trying
11 to give you some anecdotal information as to what has
12 happened in the past.

13 STEVE: You know what made me feel good about
14 your agency and us working with you Sunday night right
15 through Monday morning was that we did have, we kept
16 that line open to you people constantly --

17 DICK: Well, we know --

18 STEVE: -- and talking with you. And at the
19 same time we had another phone where we were talking to
20 people like the guy at the Dallas station, AM 1080, and
21 he's un-bias, he's not biased to us, of course, I like
22 that. I don't want the man to be. But, of course,
23 you've cut us off from that.

24 DICK: Well, I just asked you for a list of
25 names of people that you want to talk to.

 STEVE: You see, the populace aren't even

1 sure that you guys are telling the truth that any of us
2 are alive out here in the first place. All that they
3 get, of course, comes from yourselves, which is the way
4 you would have it.

5 DICK: Okay, give me the name, give me the
6 names of people that, you know, we talked about his
7 earlier. Give some names of people that you would feel
8 comfortable in dealing with.

9 STEVE: Okay, let me call you back.

10 DICK: That's fine. I'll get back to you
11 shortly. How about fifteen minutes or so?

12 STEVE: Okay.

13 DICK: And, yeah, we'll talk.

14 STEVE: All right.

15 DICK: Nothing is, you know, nothing is
16 impossible if we talk.

17 STEVE: All right.

18 DICK: All right? You agree with that?

19 STEVE: Yeah.

20 DICK: Okay. Let's just continue to do that,
21 we'll work together.

22 STEVE: Call --

23 DICK: We'll work together.

24 STEVE: Okay.

25 DICK: Bye, now.

STEVE: Good-bye, Dick.

TAPE #67

March 6, 1993
10:15 a.m. - 3:59 p.m.

1 (Tape 67)

2 DICK: -- at 10:30.

3 STEVE: Okay.

4 DICK: And I want you to make sure -- you and
5 Dave watch that to make sure that -- and if you've got
6 points that you dispute, please give them to me and,
7 again, we'll pass them on.

8 STEVE: Okay.

9 DICK: And I'll try to clarify them.

10 STEVE: You know, it has been asked by the
11 press about, you know, communication to us.

12 DICK: Uh-huh.

13 STEVE: I would like at least let it be known
14 that it's not our choice that we're cut off or that we
15 don't at least have one line to at least one news
16 agency, where they can at least monitor us, see if
17 we're okay, or whatever else.

18 DICK: You know what, when we were -- when we
19 were apart from one another, I, I had a thought here.
20 One of your big concerns is that you don't believe that
21 anybody will listen or that you will have the
22 opportunity to present your case. I know you're
23 concerned about that. So, what I've asked is to make
24 that known to the press --

25 STEVE: All right.

DICK: -- that you're concerned that you

1 | won't get the opportunity --

2 | STEVE: I appreciate that.

3 | DICK: -- and, and that --

4 | STEVE: I'm sure that helps.

5 | DICK: Sure. That will put that right to
6 | them that, hey, you said that you're concerned, and I
7 | want to go to them and tell them of your concern,
8 | directly to them, so that they will know and you will
9 | know that we're not trying to cover up or hide any of
10 | the -- any of these comments that you eventually would
11 | like to make. So, how's that? I mean that, that --
12 | that's (Indiscernible) isn't it?

13 | STEVE: It's, it's a small, small, small part
14 | --

15 | DICK: But it's, it's a step.

16 | STEVE: -- of it in the right direction.

17 | DICK: Sure, it's a step and you guys -- it
18 | will show you that, in fact, we're not opposed to that
19 | at all. In fact, we demand that you do that. I mean
20 | we, as citizens, secondarily, I mean --

21 | STEVE: (Indiscernible)

22 | DICK: -- we demand that you do that.

23 | STEVE: That's good to hear.

24 | DICK: Because I don't want that to happen
25 | again.

 STEVE: Okay. I'll, I'll call you as the

1 | soon as the -- I'm going to start preparing that we can
2 | watch this on T.V.

3 | DICK: Okay.

4 | STEVE: That gives us about 10 minutes to get
5 | the thing going here.

6 | DICK: All right. And then you guys -- you
7 | working on some of the folks that you, you --

8 | STEVE: Yes.

9 | DICK: Okay.

10 | STEVE: Most definitely.

11 | DICK: And then tell David, if you would,
12 | that I've done this for him and I'd like to get an
13 | opportunity to talk to him when I get back, too.

14 | STEVE: All right.

15 | DICK: So, between us, between all three of
16 | us, perhaps we can, we can get some of these issues
17 | past, you know, past center line here.

18 | STEVE: Okay.

19 | DICK: And, and we'll work, we'll work
20 | together on it and we'll get it done.

21 | STEVE: Okay.

22 | DICK: All right. We'll be back -- we'll be
23 | back in touch after, after the press conference then.

24 | STEVE: Okay. Thank you.

25 | DICK: All right.

 STEVE: Bye.

1 DICK: Bye-bye.

2 RACHEL: Hello.

3 DICK: Hello. Dick. Who's this?

4 RACHEL: Rachel.

5 DICK: Rachel, how are you today?

6 RACHEL: Fine. Just a minute, I'll get

7 Steve.

8 DICK: How about David?

9 (No response)

10 (Pause)

11 STEVE: Hello.

12 DICK: Steve?

13 STEVE: Hello, Dick.

14 DICK: Yes.

15 STEVE: Okay.

16 DICK: I thought you were going to try to get
17 Dave up here so we could go over some of these issues
18 you guys were concerned about.

19 STEVE: Well, I was going to try is right but
20 he's totally out right now. I didn't realize. I just
21 found out. In the middle of the night, I guess, he was
22 trying to see just how -- excuse me, someone's got the
23 -- just a moment here.

24 DICK: Did you get a chance to see that press
25 conference?

STEVE: Yeah. Apparently, that last night he

1 was trying to see how well his limbs and everything
2 were working and it took a lot out of him.

3 DICK: You mean tired?

4 STEVE: Oh, yeah, real tired. I didn't
5 realize. I thought I heard him moan or groan. So --

6 DICK: Well, I need a -- I need a chance to
7 talk to him here in a few minutes. So, why don't you
8 go ahead and send somebody in there, if you will, and
9 ask him to --

10 STEVE: I'll try to but --

11 DICK: -- come out.

12 STEVE: -- I'm telling you, you know, when
13 the guy, you know, it's not as easy as you make it
14 sound because if the -- you know, if the guy has been
15 injured like he was --

16 DICK: Oh, I understand.

17 STEVE: You know, I mean if he was in the
18 hospital, quite obviously the guy would be in and out
19 all the time, which he is all the more so here because
20 he doesn't have quite the --

21 DICK: Sure.

22 STEVE: -- attention as in the hospital.

23 DICK: Sure, sure.

24 STEVE: But, no, I will do. I'm serious. I
25 mean --

DICK: Can you get that phone maybe over to

1 him rather than trying to get him up?

2 STEVE: Well, that's what I'm saying. In
3 fact, I've got -- right now I have pulled the phone
4 over by him. He's out totally right now. I'm looking
5 right at him. And I mean if he's awake or if I can get
6 him awake --

7 DICK: Well, we'll give it a couple of
8 minutes and why don't you go ahead and shake him up.
9 But did you see that -- did you see the press
10 conference?

11 STEVE: Yes, I did.

12 DICK: What --

13 STEVE: He, he didn't, though, because he was
14 even out -- in fact, I told them to wake him up so he
15 could see it. Apparently, he wouldn't wake up.

16 DICK: Well, I wish he had seen it. I think
17 he'd have been -- I think he'd have been happy with --I
18 don't think they're trying to --

19 STEVE: I don't think he would be.

20 DICK: Really?

21 STEVE: No, I really don't because there was
22 a number of things that were brought out. I listened
23 very carefully myself.

24 DICK: Okay. With what, what -- do you have
25 some --

STEVE: Well, number one, you know, it was

1 implied by I believe his name is Bob Ricks?

2 DICK: Right.

3 STEVE: It was implied that, that you people
4 are under the impression that these people are not free
5 to go and well, you can make that assumption. I've
6 told you over and over again --

7 DICK: No, those were questions asked of us.

8 STEVE: Right, but I'm talking about the
9 response to those questions.

10 DICK: Uh-huh.

11 STEVE: And it was not made clear -- these
12 people are -- they can leave anytime they want, from
13 day one. They still can. But like I told you, they
14 choose to see -- they believe in his God. That's the
15 point (Indiscernible).

16 DICK: No, I know. I passed that on that --

17 STEVE: All right.

18 DICK: -- that you've all said that but -

19 STEVE: Okay.

20 DICK: -- I guess we continue to get calls
21 from like some of these people -- remember John talked
22 with you last night about, these people are making
23 inquiry about --

24 STEVE: That, that's fine, whatever --

-25 DICK: People (Indiscernible)?

STEVE: Yeah, that's fine.

1 DICK: Okay. What was the other issue that
2 you were concerned --

3 STEVE: Okay. Let me look down here and see.
4 Okay. Now, the latest thing was that the man, I think
5 his name was Dan Hartnet --

6 DICK: Right --

7 STEVE: -- said that --

8 DICK: -- the ATF representative.

9 STEVE: -- they did have a felony charge, a
10 felony charge warrant for D.K. Okay, that's -- and
11 then it went on -- they asked about -- I can hardly see
12 or I have very little light here. Just a moment. Let
13 me -- do you have a flashlight there? I'm sitting in a
14 spot here. It's kind of dark. See, I don't want to
15 turn the lights on here because he's sleeping. So,
16 I'll just --

17 DICK: True. Do you know what we -- while
18 you're going through your notes there, I just want to
19 make -- bring you up a comment here. You know, we
20 talked about a list of, of people that you guys might
21 be interested in having to talk with but aren't you and
22 David going to have to get together to -- on that?

23 STEVE: No. He's already said that anybody
24 that wants can come to the phone and talk. I just now
25 even went to a lot of people, just right now, --

 DICK: Uh-huh.

1 STEVE: -- and said to them, there's a man on
2 the phone and his name is Dick. He's an F.B.I. agent.
3 he's a negotiator. He's a very decent guy. If you'd
4 like to talk to him about anything, about leaving,
5 about your children, about relatives, about speaking
6 with someone on the outside, about any of your needs or
7 wants --

8 DICK: Uh-huh.

9 STEVE: I talked to at least 20 people in one
10 place at one time. Then I walked down and talked to a
11 few more here and there. And they all said to me, you
12 talk, you know what we want. And I says, well, what do
13 you want? That's what I asked them, what do you want?
14 And they says, well, make it known that before a lot of
15 us were afraid to make a step forward. They can say
16 what they want but we don't have that line to the
17 outside world. We want somebody without -- the press
18 to be nearby, to see, to be able to video, to be in
19 part of this negotiation process.

20 DICK: Okay.

21 STEVE: That's what, that's what they told
22 me.

23 DICK: Remember --

24 STEVE: And then they said to me, well, you
25 speak for us. And I says, --

 DICK: Okay.

1 STEVE: -- I will.

2 DICK: All right.

3 STEVE: I will.

4 DICK: All right. Well, you know, we'll go
5 with that but I guess I was making reference to more
6 is, is, is the, the people that you had suggested you
7 might want to later to talk with, that you were going
8 to give me names of those people, remember? I, I'm not
9 talking about the people inside to talk with me but
10 those people that you might want --

11 STEVE: Right.

12 DICK: -- to give us --

13 STEVE: Right.

14 DICK: -- as a possible --

15 STEVE: I, I did ask them. This is what
16 their -- I'll give you some of those names, if you'd
17 like. This is what they mentioned to me. They
18 mentioned Larry King, Paul Harvey. I never heard of
19 this man, a David Gold, a Rush Limbo I think the name
20 was.

21 DICK: Rush Limbaugh?

22 STEVE: Limbaugh, is that it?

23 DICK: Yeah. I think there's a fellow by the
24 name of that.

25 STEVE: Apparently, he's in a lot of
controversial issues or something, I don't know. Paul

1 Harvey, many people are --

2 DICK: Yeah, I know Paul Harvey.

3 STEVE: Exactly. Oprah Winfrey, I guess.

4 DICK: Well, I'm sure -- I'll guarantee you
5 that when this thing -- when you come out, there will
6 be a lot of invitations to go on Oprah Winfrey's show.

7 STEVE: Well, you and I -- you and I are --
8 well, I'm not -- we're not interested in that kind of
9 thing.

10 DICK: No, I know, but to get the word out
11 I'm saying.

12 STEVE: Yeah, right. Well, okay, but right
13 now what the thing is, these people are afraid to make
14 the move without him --

15 DICK: Okay. Sure.

16 STEVE: -- and an involvement there.

17 DICK: And, remember, I told you moments ago
18 when I spoke to you then --

19 STEVE: Right, you, you did.

20 DICK: -- your concern about not being able
21 to get to the press. And we're going to -- we're going
22 to make sure the press is aware of that so that if
23 you're concerned --

24 STEVE: I was hoping that that would have
25 happened during that conference even.

DICK: Well, you know that came up. This --

1 obviously, they're gone from here --

2 STEVE: I see okay.

3 DICK: -- when they get this conference
4 together.

5 STEVE: All right.

6 DICK: So, that, that should come up on the
7 next one.

8 STEVE: Is there going to be another one
9 today?

10 DICK: No, not today.

11 STEVE: All right.

12 DICK: But that will be -- we've asked that
13 that be included in the next one because I --

14 STEVE: I see.

15 DICK: -- I -- that's a good point. And I
16 know you're concerned about that and I will -- I'm in
17 total agreement, as is everyone else here, that your,
18 your story needs to get out. I know you're concerned
19 that you don't think we will allow it, too. So, this
20 maybe will, will give you that sign that it will get -

21 STEVE: Right.

22 DICK: You will get that opportunity. So,
23 that's good. We'll work with that.

24 STEVE: You know, of course, you know, when I
25 listen to a conference like that, you observe, you
know, all these different things that are taking place

1 and what's being said. It really bothers me that it's
2 us that are being spoken of of having felony charges
3 and all the rest. What --

4 DICK: Uh-huh.

5 STEVE: The insanity of the whole thing. I
6 mean when you really sit down and look at it from
7 beginning to end, the insanity of it all --

8 DICK: Right. Did you hear Mr. Hartnet say
9 that the ATF --

10 STEVE: Yeah, I mean but --

11 DICK: -- has to be responsible for what they
12 did?

13 STEVE: Well, yes, I did, but many times in
14 the past these different bureaucracies have slapped the
15 hands of individuals. You never hear of them going up
16 on charges of murder and so forth. I mean the total
17 disregard of human life here was -- it was awesome. I
18 mean I've talked to a lot of people. I got to see the
19 firsthand witnesses, the approach of the vehicles. You
20 weren't there, I don't believe, were you?

21 DICK: Absolutely not.

22 STEVE: Okay. But they were. They saw what
23 was happening and --

24 DICK: No --

25 STEVE: -- when they fell to the floor, there
were bullets that went -- I'm talking about missing

1 | them by an -- you will be able to come into this
2 | premises ultimately and look it over yourself, where
3 | the different people resided, in what rooms and so
4 | forth. You're going to be -- it's a miracle that there
5 | aren't at least 20 more people dead here. I'm telling
6 | you the truth.

7 | DICK: I know you are.

8 | STEVE: So, when it --

9 | DICK: I know you are, Steve.

10 | STEVE: -- comes down to federal charges
11 | being filed, felony charges against people here, I mean
12 | what are we talk -- we're talking about defense. There
13 | was an offense that was committed and there was a
14 | defense here taking place.

15 | DICK: I know that's your position and that's
16 | what you need to make known to people.

17 | STEVE: None of these people -- you know that
18 | 99% of these people have never even held a gun before
19 | that day or touched one or seen one, hardly seen one?

20 | DICK: I have no doubts that that's true.

21 | STEVE: So, I mean it's just -- it bothers me
22 | to hear that, you know, there's going to be felony
23 | charges on one side, plural. But on the other hand,
24 | I'd like to hear the same kind of language employed on
25 | the other, also.

 DICK: Well, if that's what this, what this

1 inquiry determines, then there will be but they have to
2 be -- the evidence has to be looked at first, Steve.

3 STEVE: But, obviously, Dick, you and I know
4 that through the years -- it's -- when has that ever
5 taken place with federal agents, especially federal
6 agents, someone at that level, let alone like police
7 officers and so forth? It's a rare, rare, rarity. I
8 can't even think of an instance where it's happened.

9 DICK: Well, how about the Rodney King
10 incident, for instance?

11 STEVE: Well, I don't know, it's ongoing and
12 I --

13 DICK: Well, it is, but it has to be
14 resolved.

15 STEVE: Yes, but I haven't been -- I haven't
16 been --

17 DICK: They've been charged, haven't they?

18 STEVE: -- (Indiscernible) with that.

19 DICK: I know, but they've been charged.

20 STEVE: I guess. I haven't been following it
21 so I don't know what's -- you can fill me in and let me
22 know what's happening.

23 DICK: Well, they have been charged. And,
24 and you know that because there was an earlier trial.
25 So, they -- you know they were charged.

STEVE: Well, you know, the greatest thing

1 | that would help get this process going and people come
2 | out -- these women, especially, that I was talking to
3 | just before you called me back to the phone here --

4 | DICK: Uh-huh.

5 | STEVE: I was saying, well, what do you want?
6 | They says, Dick will talk to you. You let him -- if
7 | you want to go, tell him that. I mean Dave was not
8 | even around when you're talking to these people.

9 | DICK: Sure.

10 | STEVE: He don't, he don't care who talks to
11 | or says -- he's laying down sleeping right now.

12 | DICK: Okay.

13 | STEVE: It's quiet around him. It's -- he's
14 | in a dark spot here. He's trying to get some rest.
15 | And he, he, he told me, while I was talking to you, he
16 | interrupted my speech with you earlier --

17 | DICK: Uh-huh.

18 | STEVE: -- and said to me, let anybody talk
19 | to him. Let the women talk to him. He went like that
20 | to me. So, I mean -- and they --

21 | DICK: Well, --

22 | STEVE: -- and then when I said, I said,
23 | look, he's going to be calling me back. Instead of me
24 | getting on the phone with Dick, why don't some of you
25 | take your turns. You can talk to him. He wants -- he
 | does want -- I told them --

1 DICK: Did you tell them about the personal
2 messages I had for some of them?

3 STEVE: Yeah, yeah, I did. I said there's a
4 lot of relatives, there's parents involved that want to
5 see if you're okay, and who's here. I said, the
6 F.B.I., themselves, want to know names and numbers
7 here, obviously.

8 DICK: Uh-huh.

9 STEVE: So, you know, and even David doesn't
10 seem like he's holding back with that. It seems like
11 he was willing to even get into that more.

12 DICK: No, I appreciate that and you have,
13 you have let these folks come forward. And I know that
14 they're all interested in hearing about the concerns
15 that have been expressed by relatives and friends, and
16 I've got a list of people here.

17 STEVE: Right.

18 DICK: Is Barbara Reed or Leane and David
19 Joseph in --

20 STEVE: Let me start writing some of those
21 names down --

22 DICK: Okay.

23 STEVE: -- because, you know, I'm not --
24 honesty, that's the first time I've ever heard that
25 name. Okay. The first name, again, was?

 DICK: Barbara Reed, R-E-E-D.

1 STEVE: Okay. Now my pen quit. Let me see
2 -- okay, here it goes. Barbara Reed.

3 DICK: Right.

4 STEVE: Here it quits again. Let me try a
5 different pen. Could someone get -- well, here, I've
6 got another pad. Just one minute. See if I can't find
7 something else to write with.

8 DICK: You know, while you're listening and
9 trying to find a pen there --

10 STEVE: Yeah.

11 DICK: -- a case came to mind. There was a
12 federal jury down the Southern District of Florida that
13 --

14 STEVE: Uh-huh.

15 DICK: -- that dismissed cases against a
16 fellow down there who's a pilot for a family down
17 there. And they, they just -- they ruled that the ATF
18 had entrapped the man and the jury acquitted him on, on
19 three charges in, in just a couple of days.

20 STEVE: Is that right?

21 DICK: Oh, yeah. It's called the Scott case.

22 STEVE: Okay.

23 DICK: The ATF entrapped him and, and
24 remember the Delorean trial years ago, remember that,
25 John Delorean?

STEVE: Yeah.

1 DICK: Involved in a big drug thing.

2 STEVE: Yes, I do.

3 DICK: And he got, he got an acquittal by a
4 jury of his peers.

5 STEVE: Okay.

6 DICK: And that's the way the system works.
7 You go into court --

8 STEVE: I know it does happen.

9 DICK: Sure, it does.

10 STEVE: That man was very powerful with a lot
11 of connections at the same time.

12 DICK: Well, here's a fellow -- one of the
13 guys told me about a case that he was involved in -- a
14 guy up in Coleville, Washington, which is a very, very
15 small town, was another ATF case. And, apparently,
16 there was some, some SWAT team, ATF SWAT team used.
17 And, and the charges were dismissed.

18 STEVE: Well, I'm sure --

19 DICK: So, I mean it happens. It happens.

20 STEVE: -- it happens.

21 DICK: You know, it, it does happen because
22 sometimes people are a little over zealous in doing
23 their job. I mean -- in some of these other cases --

24 STEVE: I know -- I would believe that you
25 would be a person that would try to be quite informed
day by day on a day by -- especially because of the,

1 the job that you have. Have you ever viewed that video
2 on BAPF, Breaking the Law or Above the Law or something
3 like that. I can't remember exactly the wording but
4 someone once said to me they had -- someone had passed
5 the tape to them and they says, I want you to see this.
6 And I said, I told him I didn't really have the time,
7 it didn't concern me because I was not into guns and
8 all the rest. But he says, Steve, it's the principle.
9 So, I sat down to watch and I was astounded to see what
10 was taking place, you know, and especially even against
11 police officers by the ATF. And that's not to say that
12 all these guys are aware of what's taking place but
13 there's definitely -- they're taking privileges that
14 are not or to me that are very unlawful, that are
15 unconstitutional, that should not be.

16 DICK: Steve, it, it sounds a little trite
17 but I'm going to tell you, none of us are perfect. We
18 in the F.B.I., the ATF, the police departments, we're
19 not perfect and we certainly do make errors and have
20 made and unfortunately will probably continue to make
21 errors. But we don't -- we want to make sure -- all of
22 us that are involved in this particular incident want
23 to make sure that nothing like this happens again.

24 STEVE: Right.

25 DICK: And, and, certainly, I'm, I'm going to
concede that we make errors. I guess if we were

1 perfect, we wouldn't be doing what we're doing, will
2 we? I mean, you know --

3 STEVE: Dick, what were some of those names
4 then? I'll get you back to that then. I've got a pen
5 here.

6 DICK: Okay. You got the pen ready to go
7 again?

8 STEVE: Yeah.

9 DICK: Okay. And let me just give you one -

10 STEVE: Barbara --

11 DICK: -- one more point that I want --

12 STEVE: Okay.

13 DICK: -- to make before we --

14 STEVE: All right.

15 DICK: -- go to that list. You were
16 concerned earlier in the conversation that the film
17 taken during this Sunday incident would be altered to
18 some degree. We also are going to make sure that
19 people know you're concerned about that. And so that,
20 you know, it's known that, that continues to concern
21 you.

22 STEVE: Can I ask you, what do you know about
23 that film 'cause, obviously, we have not seen it? Was
24 that done by a number of news crews from that distance
25 that they were allowed to be at or were they inside an
area where the ATF would have not chosen to have them?

1 DICK: My belief and, again, I would have to
2 confirm this --

3 STEVE: Yeah.

4 DICK: -- but it's my understanding that a
5 news crew -- there was one news crew that, that did not
6 go with ATF but followed ATF based on this -- perhaps
7 on this article that appeared in the paper. They may
8 have been --

9 STEVE: Right.

10 DICK: -- may have been watching ATF offices
11 or something in preparation for what they felt might
12 have been some attempt to serve a warrant and, and --

13 STEVE: Okay.

14 DICK: -- did, in fact, film it. And that --
15 we have taken that film. They've been kind enough to
16 give us a copy of that film. While they keep the film,
17 mind you, we didn't confiscate it, they gave us,
18 meaning law enforcement, a copy of it. And it was
19 shown nationwide. I didn't see the whole thing 'cause
20 I only caught excerpts of --

21 STEVE: Well, could we see it?

22 DICK: Sure, you'll be able to see it,
23 absolutely.

24 STEVE: No, no, no, I'm talking about what,
25 what's the problem -- you tell me what the problem
would be with now to view it.

1 DICK: To do now?

2 STEVE: Yes.

3 DICK: To --

4 STEVE: So we can see just exactly what's
5 going on from outside inside. Maybe that would be one
6 of the things that help some of these people here make
7 a decision about walking out.

8 DICK: That's, hey, you know, that's a
9 thought.

10 STEVE: 'Cause I'm telling you, they do have
11 fears.

12 DICK: That's a thought.

13 STEVE: You, you, guy got to keep on
14 reminding you it's not so easy to tell this group,
15 well, hey, it's okay because they do not think so
16 because they're -- ever since we were cut off from the
17 press, that's when the greatest fears start taking
18 place with these people. Every time I go around saying
19 that there's a man, Dick, on the telephone, he's
20 willing to talk with you, they're telling me that they
21 don't trust you because of not having nearby or someone
22 either recording or someone that's unbiased like say
23 news media or they want to get -- that -- it would make
24 all the difference. So, there are those people that --
25 this is what they're telling me anyway.

DICK: Okay. Well, --

1 STEVE: So, keep it in mind with whatever
2 kinds of --
3 DICK: I will.
4 STEVE: -- thing you've got in mind --
5 DICK: I will.
6 STEVE: -- for negotiation.
7 DICK: Okay.
8 STEVE: Uh --
9 DICK: Well, let's go. You got your pencil
10 there, your pen?
11 STEVE: Yeah, I do, I do.
12 DICK: Okay. There's a Leane Josephson and a
13 William Josephson.
14 STEVE: Joseph -- let's see, my pen quit
15 again. Josephson. Okay. And a which?
16 DICK: A William or a Bill Josephson.
17 STEVE: Okay.
18 DICK: A Jeff Little.
19 STEVE: Okay.
20 DICK: Margarita or it's spelled M-A-R-G-A-R
21 --
22 STEVE: Oh, yeah, we went -- last night I
23 think it was, was that John and I that --
24 DICK: Yeah, yeah.
25 STEVE: Jeff Little is someone that is here?
DICK: Right.

1 STEVE: And his family, again, his father
2 called or something or is there with --

3 DICK: Yeah, exactly. Lonnie Little --

4 STEVE: Lonnie Little, okay, I'll write that
5 down.

6 DICK: -- called.

7 STEVE: Lonnie Little. Okay.

8 DICK: Well, you think -- you don't -- you
9 want to take this list down or do you want to talk
10 directly to them? Well, what do you want to do?

11 STEVE: Well, I'll, I'll ask them. I --

12 DICK: Okay. All right.

13 STEVE: -- I'll say to them, do you want to
14 talk to these people, what do you want to do?

15 DICK: Okay.

16 STEVE: I'll go around. So, --

17 DICK: The next one is a Catherine --

18 STEVE: But you mentioned a Barbara Rush or
19 something?

20 DICK: No Barbara Rush. Barbara Reed, R-E-E-
21 D. Barbara Reed was one of the names I gave.

22 STEVE: Oh, Barbara Reed. Who is she with or
23 asking for?

24 DICK: Apparently, she's one of the folks
25 that's thought to be inside there with you.

STEVE: A Barbara Reed?

1 DICK: That's what -- that's what we --

2 STEVE: We've never heard of the person.

3 DICK: Okay. Well, you get inquiry from
4 these folks. Maybe that's the child of the Josephsons
5 or some such thing. I--

6 STEVE: Who are Josephsons? Who are they
7 connected to or who are they --

8 DICK: A Lynn Josephson --

9 STEVE: Okay.

10 DICK: -- has made inquiry about, about three
11 people, Reed and Leane and William Josephson.

12 STEVE: We know none of those three. And the
13 --

14 DICK: Okay.

15 STEVE: -- person inquiring was, again, who?

16 DICK: Lynn Josephson.

17 STEVE: Lynn, yeah -- no one to do with us.
18 Must be some other thing totally.

19 DICK: Okay. Now, you mentioned to me before
20 you really hadn't had contact with everybody. Are you,
21 are you quite sure that this is accurate?

22 STEVE: Oh, yeah, no question about it.

23 DICK: All right.

24 STEVE: I'll go to make sure, of course.
25 I'll ask a lot of people --

DICK: Okay.

1 STEVE: -- anybody here ever hear of a Lynn
2 Josephson or a Barbara Reed, a Leane Josephson, a Bill
3 Josephson? Yeah, no one -- they're all shaking their
4 head. They've never heard of such persons.

5 DICK: Okay.

6 STEVE: Okay. And then the next person you
7 mentioned was Lonnie Little in relation to Jeff Little?

8 DICK: Jeff Little is supposed to be inside
9 with you, yeah.

10 STEVE: Right.

11 DICK: And you said he's okay, is that
12 correct?

13 STEVE: Yes, that's -- this is correct.

14 DICK: Okay.

15 STEVE: Who else?

16 DICK: And Margarita Vega. She's all right I
17 understand.

18 STEVE: Right. I had mentioned that also
19 last night.

20 DICK: Okay. Sherry Jewel.

21 STEVE: Okay. And she is also.

22 DICK: She's okay?

23 STEVE: Yeah.

24 DICK: Okay. A --

25 STEVE: Who was asking for Margarita? I
believe it was her daughter, Gessiler or something.

1 DICK: Ursula.
2 STEVE: Ursula, that's what it was.
3 DICK: Ursula. Gerdman, I think it's
4 pronounced?
5 STEVE: That's correct.
6 DICK: Okay. Sherry Jewel?
7 STEVE: Okay. And it was Mosers --
8 DICK: Moser.
9 STEVE: -- the mother, yeah.
10 DICK: Right. She, she's fine, right?
11 STEVE: Yes.
12 DICK: Okay. A Mary Jean Borst.
13 STEVE: Mary Jean Borst. Okay.
14 DICK: And that inquiry comes from Darrin
15 Borst.
16 STEVE: From Dan?
17 DICK: From Darrin.
18 STEVE: Oh, Darrin, okay.
19 DICK: Yeah. The next one --
20 STEVE: It must be a son.
21 DICK: It is. The next one is the -- and I
22 understand she might be okay, is that correct?
23 STEVE: Yeah, she is.
24 DICK: Okay. A fellow -- geez, I'm not
25 familiar with this name, G-R-A-E-M -- I think it's a
Graem Cradock.

1 STEVE: Oh, Graem Cradock.
2 DICK: Graem, okay, that's what that is.
3 STEVE: Yeah. Yeah.
4 DICK: Okay. I guess that's what this says.
5 Graem Cradock, fine?
6 STEVE: Yes.
7 DICK: Okay. A Douglas --
8 STEVE: Is that from his mother, maybe?
9 DICK: Yes.
10 STEVE: Okay.
11 DICK: No, I'm sorry, Barry Cradock.
12 STEVE: Okay, Barry.
13 DICK: Yeah. From -- these folks are from
14 Australia.
15 STEVE: Right, they are.
16 DICK: Okay. A Douglas Martin.
17 STEVE: Okay, Douglas Martin.
18 DICK: Okay. From Anthony Greenwood. Is
19 Douglas all right?
20 STEVE: Yes, he is.
21 DICK: How about Sheila? She's all right,
22 also?
23 STEVE: Yes.
24 DICK: Both of them are there --
25 STEVE: Right.
DICK: -- and they're both fine. Okay. How

1 | about Paul Fanta, Fatta, F-A-T-T-A?
2 | STEVE: He seems to be okay, also.
3 | DICK: And --
4 | STEVE: Who's, who's been asking for Paul?
5 | DICK: Irma.
6 | DICK: Okay. Paul is -- it's Irma. See, I
7 | better write some of these -- must be a grandparent.
8 | DICK: Yeah, I don't know. There's no, no
9 | indication here.
10 | STEVE: Okay. (Indiscernible)
11 | DICK: And --
12 | STEVE: Anyway, I got it down. Don't worry.
13 | DICK: Kalani Fatta.
14 | STEVE: Okay.
15 | DICK: Both these folks are okay? There was
16 | some --
17 | STEVE: Yes.
18 | DICK: Apparently, you mentioned last night
19 | you weren't sure about that. That's one of the names,
20 | I think, that David asked me about yesterday.
21 | STEVE: Right.
22 | DICK: So, Paul Fatta and Kalani are, are
23 | both fine?
24 | STEVE: Yes, from what I'm hearing anyway.
25 | This is what I've been told.
 DICK: Okay. But you -- okay.

1 STEVE: Okay. And who else do you have?

2 DICK: All right. Then we have some inquiry
3 from the British Consulate.

4 STEVE: Okay, British -- okay.

5 DICK: Making inquiry on a Winston Blake.

6 STEVE: Winston Blake.

7 DICK: Is he okay?

8 STEVE: I believe he is (Indiscernible).

9 DICK: Well, now don't tell me that if you
10 don't know.

11 STEVE: No, no, I'm -- that's why --

12 DICK: Because --

13 STEVE: -- I say, I'm going to -- let me
14 check on him, okay?

15 DICK: Okay.

16 STEVE: All right.

17 DICK: Because, you know, these, these folks
18 are --

19 STEVE: Right.

20 DICK: People are concerned about them and --

21 STEVE: Right.

22 DICK: -- and we just don't want to tell them
23 that --

24 STEVE: Okay. Do you have a name for Winston
25 that --

DICK: No, I don't have --

1 STEVE: Okay.

2 DICK: I don't have --

3 STEVE: These are just ones that are being
4 raised, huh, as names or something?

5 DICK: Right.

6 STEVE: Okay. Who else?

7 DICK: A Beverly Elliott.

8 STEVE: Beverly Elliott, okay. Okay.

9 DICK: Okay. Susan Benta, B-E-N-T-A.

10 STEVE: Okay. Yes.

11 DICK: Are you telling me she's -- these,
12 these other two folks, Beverly and Susan, are both
13 fine?

14 STEVE: Yes, they are.

15 DICK: Okay. Cliff Sellers.

16 (Someone playing with telephone buttons)

17 STEVE: Oh, someone just hit --

18 DICK: Okay. It's all right. I'm still
19 here.

20 STEVE: Okay. Okay.

21 DICK: Cliff Sellers.

22 STEVE: Yes, fine.

23 DICK: Okay. Marjorie Powell.

24 STEVE: Fine.

25 DICK: Okay. Now, again, when you're saying
fine, they're all there and doing well?

1 STEVE: That's right.

2 DICK: Okay. Yvette Fagan, F-A-G-A-N.

3 STEVE: Fine.

4 DICK: Okay. Livingston Fagan.

5 STEVE: Fine.

6 DICK: Mike Malcolm.

7 STEVE: Let's see, Mike Malcolm, Mike
8 Malcolm. I don't know any Mike Malcolm. Could it be a
9 Livingston Malcolm? It must be 'cause --

10 DICK: Yeah, I suppose that it's possible.
11 There's a Livingston Fagan.

12 STEVE: Right.

13 DICK: You mean you've got a Livingston
14 Malcolm, also?

15 STEVE: That's correct. That's correct.

16 DICK: Okay.

17 STEVE: If he's got a nickname, Mike, or
18 something, then --

19 DICK: Well, that's possible. That's
20 certainly possible. A Natalie, last name is N-O-R-B-R-
21 E-G-A.

22 STEVE: You have her.

23 DICK: Okay. Bernadette Mombelly, Mombelly,
24 is that how it's pronounced?

25 STEVE: Yeah, she's here.

DICK: Okay. Okay. Ramos, Ramos, last name

1 is A-V-R-R-M.

2 STEVE: What's the first name?

3 DICK: Renos or Ramos.

4 STEVE: Or Renos, okay, yes.

5 DICK: Okay?

6 STEVE: Uh-huh.

7 DICK: All righty. An Alrick Benette, B-E-N-
8 E-T-T-E.

9 STEVE: Benette. What's the first name?

10 DICK: Alrick, A-L-R-I-C-K, Alrick.

11 STEVE: Alrick.

12 DICK: Might -- they might call him George.

13 STEVE: Oh, I see. Yes.

14 DICK: Middle name is apparently George.

15 STEVE: Okay.

16 DICK: All righty.

17 STEVE: All right.

18 DICK: A Derrick Lovelock.

19 STEVE: Yes.

20 DICK: Okay. And a Sonja Murray?

21 STEVE: Yes.

22 DICK: Okay. Let me see if I have any other
23 names here. Those are folks that people made inquiry
24 on. I think I had some other names here but it may
25 have been included on this list here.

STEVE: Okay.

1 DICK: Okay. All right. Well, I'm sure --
2 you know, we'll pass this on to these folks and I'm
3 sure they'll appreciate your confirming that they're,
4 that they're fine.

5 STEVE: All right.

6 DICK: Now, how about -- some of these folks,
7 they want me to pass directly on to them the concerns
8 of these other people, the people that have called in?

9 STEVE: Like?

10 DICK: Well, I'm just saying, if you have
11 some of these folks here that --

12 STEVE: Here's what I'll do.

13 DICK: -- whose names I just gave you.

14 STEVE: Can you give me about an hour or two
15 and --

16 DICK: Well, we'll give you some time.

17 STEVE: Well, here's what I'm going to do.
18 Well, of course you are. But anyway, we're -- I'll go
19 around with especially this list and even with others
20 who, who have not been inquired about.

21 DICK: Okay.

22 STEVE: I'll ask them if they want to make
23 known to their parents, to other relatives, to friends,
24 anything through or by yourself. This list here, I'm
25 going to even pass it on to them and --

 DICK: Okay.

1 STEVE: -- ask them if they want to talk to
2 you to let them know their condition or whatever else.

3 DICK: Okay. You know, while your --

4 STEVE: So far I haven't really talked to a
5 lot of those that are from Britain as much as like I
6 told you just --

7 DICK: Okay.

8 STEVE: -- a little while ago, I was talking
9 to a group of people and, and a few others which they
10 said they wanted me to be their spokes person, trying
11 to get a line open for someone else other than the very
12 agency that would be arresting them. So, that's what
13 you and I are were talking about, which didn't seem
14 unreasonable to yourself, having an in betweener go
15 between --

16 DICK: Sure.

17 STEVE: -- and you and I will continue to
18 work on that.

19 DICK: All right. Let me see. I have one
20 other thought concerning those folks -- there are,
21 obviously, a lot of other people in there we've not
22 talked to.

23 STEVE: Uh-huh.

24 DICK: If you could get me a list of their
25 names and a list of, of the person that they want us to
pass on some -- a message to, we will certainly

1 entertain that.

2 STEVE: Right.

3 DICK: We would -- you give us a telephone
4 number, a name, an address and --

5 STEVE: You know, I'll -- you would, of
6 course, know that I'd want to do that except for the
7 very reason of logistics. I mean the whole problem
8 being that, you know, we don't want you to know exactly
9 who is here totally, do we?

10 DICK: Well, that may well be and that's --
11 if that's your choice, that's fine. I just wanted --

12 STEVE: Yeah, but, but you would know that,
13 of course.

14 DICK: Well, I understand that might be a
15 concern of yours but I thought maybe because all of
16 those people are in there voluntarily, they might want
17 to just let people know that they're fine, that they're
18 okay.

19 STEVE: That's why we're still trying to, you
20 know, we're trying to go to the nth degree to try to
21 work something out. When I tell you that if these
22 people want to go, believe me, they'll be out there
23 with assistance.

24 DICK: Sure. Oh, I understand what you're
25 saying. I just thought if they don't want to go. You
cannot believe the deluge of telephone calls that we've

1 --

2 STEVE: Oh, I can believe, for sure.

3 DICK: -- received here from people
4 wondering, one, are their, are their loved ones in
5 there? And, two, are they okay if they're in there.
6 So, what we're trying to do is just --

7 STEVE: I'm --

8 DICK: -- get a message to those folks.

9 STEVE: -- I'm shocked that there haven't
10 been more phone calls and more requests, in fact, than
11 what you've given me here.

12 DICK: Oh, there are. We're just trying to
13 get them to you when we can but, unfortunately, some of
14 those folks that are in there are unknown, and we're
15 going to have to work backwards from your end there
16 with the name and telephone numbers for those people
17 that we can contact.

18 STEVE: I can imagine for sure.

19 DICK: And we'll be happy to do that for you
20 and for them.

21 STEVE: Okay.

22 DICK: So, you know, you get together a list
23 of those folks for me and then, and then a list of, you
24 know, people that you might have some interest in in
25 talking to later.

STEVE: Right. Well, I'll be doing that in

1 the next few hours then.

2 DICK: Well, yeah, you know what you could
3 do, Steve?

4 STEVE: What's that?

5 DICK: Have -- assign that -- delegate to
6 someone and have them -- several people go out.

7 STEVE: Well, that's what I would -- that's
8 what I would be doing, of course.

9 DICK: Okay. Good. Good.

10 STEVE: When I say that, I'm just saying now
11 get the process started.

12 DICK: Yeah, don't do it yourself, send out
13 somebody to get it done for you.

14 And David's still, still down?

15 STEVE: He's still out. I'm looking -- in
16 fact, I'm looking at him now.

17 DICK: You know, one thing that concerns me,
18 if he's sleeping so much, that might be an indication
19 that his health is not as good as it might be.

20 STEVE: Well, I don't know 'cause aren't
21 usually -- the best thing for sickness for someone's
22 that sick no matter what the problem is, I think the
23 body recovers the fastest when it does get the rest.

24 DICK: Well, that's true to a degree but too
25 much rest might mean that there's something wrong.

STEVE: Well, well, you know yourself,

1 | though, Dick, that he's healed -- I think he -- didn't
2 | he talk for six hours the other night? Who was it, was
3 | it -- was it your -- no, it wasn't you. I think it was
4 | with Henry, for about six hours I think it was.

5 | DICK: Yeah, I think he did. I think he did.

6 | STEVE: And then, in fact, even John told me
7 | last night even how he -- of course, he had been
8 | listening and, and to some of the subject matter of
9 | what was being spoken about and his reaction to that.

10 | DICK: Sure.

11 | STEVE: So, I mean the truth is -- I mean he
12 | expends a lot of energy in the condition he is to talk
13 | on the phone for that length of time, pouring out that
14 | much of his soul into what he's trying to say and reach
15 | out to people like yourselves. So, then, the next
16 | thing you know, he's back sleeping again. So, that,
17 | you know, this is the way it's been.

18 | DICK: Sure, I understand that. The only
19 | thing is my -- I guess our concern is is that a
20 | sickness is one thing, a wound is another.

21 | STEVE: Right.

22 | DICK: There's a chance for infection and
23 | peritonitis and gangrene and those kinds of things.
24 | So, you know, sleeping, while it, it's a recuperative
25 | thing that we all want to do when we're sick, it's a
 | little different when you have a gunshot wound.

1 STEVE: Yeah, I know, but we're keeping an
2 eye on him.

3 DICK: Okay.

4 STEVE: He seems to be doing okay so far.
5 Every now and then, of course, he'll be talking or if
6 he makes a movement or even if he does make a movement,
7 he'll get a lot of pain in, of course, that area.

8 Yeah, someone's just showing me a message
9 here. Let me see what it says here.

10 DICK: Okay.

11 STEVE: (Indiscernible) regards to news
12 briefings mentioned. Our needs are being made since
13 there's still children in there. Okay. They -- one of
14 the women just came with a note saying, where's the
15 milk, you know, I mean -- what's his name again, the
16 agent, --

17 DICK: Hartnet?

18 STEVE: -- Bob Ricks?

19 DICK: No, that was Mr. Hartnet, I believe.

20 STEVE: Anyway, they made the statement that,
21 you know, a lot of this is being met, which is not so.

22 DICK: Well, I think --

23 STEVE: Bob -- okay, let me go through this
24 list here. You asked --

25 DICK: Okay. Okay, go ahead. In fact, I'll
jot them down while you're doing it.

1 STEVE: Okay. Let me take a look here. One
2 of the statements that were made was D.K. or David
3 hasn't said anything about any -- or anymore about the
4 bodies that are inside.

5 Well, you know, we've been harping since I
6 believe it was yesterday on the one that is -- that we
7 do have very clearly. We know who he is. And we've
8 been trying to do something about that but it came
9 across contrary to that. And, of course, you guys hid
10 the fact that we do, in fact, want to get that body
11 out. Okay?

12 DICK: Okay. What's the next item?

13 STEVE: Let me take a look here. And this
14 statement is given again in regards to that body. They
15 could give no predictions if and when the body will be
16 removed.

17 Well, that's -- he didn't go on to say it was
18 because it was your choice. I wish you would have told
19 them that.

20 DICK: You know what? I felt a little
21 uncomfortable with that answer, too. I wish you -- I
22 wish you would have added because we're primarily
23 concerned right now with the living and we want to get
24 aid to the living and we'll deal with, with, with the
25 dead when we, when we can.

 STEVE: Right.

1 DICK: I wish you had gone on to say that
2 because, obviously, all are emphasis here is --

3 STEVE: I like honesty, you know. I mean
4 this is the thing that will get a lot of these people,
5 if you would want them to come walking out, those are
6 the things they're looking for. They're really are.
7 You know, I can't move anybody here. They're not going
8 to listen -- when it comes right down to it, they came
9 here because they heard David opened the book. So,
10 that, you know, that's the bottom line. But for them
11 to make a choice contrary to that, they might, but it
12 would have to be based upon a trust relationship that's
13 been developed by what they're hearing and seeing. And
14 this is what they're telling me. This is why they keep
15 on asking me to be a spokes person for them and not to
16 let them down. They want to have some kind of an
17 outside line, of course, to the press and so forth.
18 They want that kind of assurance.

19 Anyway, another statement was made after that
20 again about bodies and the decomposition question. And
21 the agent would like to get all out of the compound.
22 Well, you know, why not the one that we already have
23 even.

24 What other questions do you have here you put
25 before me? Someone just handed me a statement that
they -- well, anyway, a couple of these women, they

1 | just dropped that note to me about the milk, that it --
2 | this has been now like what two days, I believe, at
3 | least. So, I mean before -- I mean it's -- you've got
4 | to remember, like I told you and I think I said it to
5 | John Cox, that if need be, they'll forego milk..
6 | They'll give the baby water, whatever else.

7 | DICK: No, I know you said that.

8 | STEVE: Yeah.

9 | DICK: I know you said that and --

10 | STEVE: Okay. I mean I'm just telling you as
11 | it is with their mind, the way they're thinking and the
12 | way they're looking at it.

13 | DICK: Yeah, I understand that and I told --

14 | STEVE: Okay.

15 | DICK: -- and I told you, and please pass on
16 | to them --

17 | STEVE: All right.

18 | DICK: -- I'd be happy to drive down the lane
19 | with those -- with that milk --

20 | STEVE: I believe that.

21 | DICK: -- and the response I'm getting in
22 | answer to that question is that, we're, we're prepared
23 | to, to provide all the necessary and desirable aid to
24 | those children. And it's up to the parents to insure
25 | that that happens and -- by coming out and bringing the
 | kids out with them.

1 STEVE: Okay. So, we'll just forget the
2 milk, then, and -- I'll tell you what, well, you can --
3 we'll be talking in a couple of hours then.

4 DICK: All right. Well, let's, let's don't
5 make it that long because --

6 STEVE: Well, it's going to take me a little
7 while 'cause these --

8 DICK: I know.

9 STEVE: -- people are all over the place.

10 DICK: Well, we'll have some of those folks
11 and you and I -- I know, I know you have some more
12 questions for me.

13 STEVE: I'll try to get those questions down.

14 DICK: Concerning, you know, the procedures
15 when you come out. I know those things are of an issue
16 with you and with others --

17 STEVE: Well, sure they are.

18 DICK: -- in there, and I'm prepared to
19 answer those questions for you and --

20 STEVE: All right.

21 DAVID: -- to make you feel more comfortable
22 about that process and that procedure because I know it
23 scares people. I've been doing this job for a long
24 time and it's very concerning to people because they're
25 not sure, it's the unknown, it's the fear of the
unknown. You're comfortable there. You're fearful

1 | that when you come out, what is going to be done. I
2 | can answer those questions for you. I'm prepared to do
3 | that. And we will do that. And I think you'll feel
4 | very comfortable with the -- with what we're trying to
5 | do to make sure that you're handled both under lawfully
6 | and comfortably and, and in a way that, that you'll
7 | feel safe.

8 | STEVE: Uh-huh.

9 | DICK: And, and we're doing that. And that's
10 | all we want, is your safety and the safety of everyone
11 | here. The kids especially, all of us want to insure
12 | the kids' safety first and foremost but things have
13 | been done here to insure that when you come out, that
14 | you're, that you're going to be handled very, very
15 | quickly, very compassionately, and so that you can get
16 | your folks back to your families as soon as possible.

17 | And, certainly, I'm not going to lie to you,
18 | there are going to be some charges with, with some
19 | folks but the majority of the folks are going to be --
20 | are going to be interviewed and, and they're going to
21 | get an opportunity to, to tell us what happened. And
22 | then they're going to be reunited with, with family
23 | members, with the kids and that sort of thing.

24 | So, please pass that on to the folks in
25 | there.

 STEVE: All right.

1 DICK: And then, and then I know they're
2 going to have questions. You gather those questions
3 and we'll go through that procedure, how it's done, why
4 it's done and the accommodation we're making to you
5 folks in there to insure that you're not, you're not
6 concerned and your concerns are needless as -- in terms
7 of what's going to be done because it will be done in,
8 in an appropriate fashion right here with a magistrate
9 right here. You're not going to have to go, you know,
10 any distance, and you'll be bused over here and --
11 together.

12 STEVE: Uh-huh.

13 DICK: And we'll deal with those issues. All
14 right?

15 STEVE: All right.

16 DICK: All right. I'll get back to you,
17 then, not too distant future. Get, get some of those
18 questions and you and I can discuss those questions
19 while somebody else is getting the names of those other
20 folks and the people that they might want to contact.

21 STEVE: All right.

22 DICK: All right.

23 STEVE: Talk to you in a little bit.

24 DICK: All right.

25 STEVE: Good bye.

 DICK: Bye.

* * * *

1

2

DICK: Hello.

3

STEVE: Hello, is this Dick?

4

DICK: It is, Steve, but I can't hear you

5

well.

6

STEVE: Yeah.

7

DICK: Let me, let me call you back.

8

STEVE: All right.

9

DICK: Well, here we go.

10

STEVE: Okay. Here we go.

11

DICK: Here we go.

12

STEVE: Yeah, we're having our afternoon or

13

our evening worship right now. I wanted to let you

14

know. But at the same time, we were going to play a

15

cassette tape, we can't find it. And I believe it was

16

left in David's car in the front. So, we're going to

17

send somebody out to get that cassette tape which is

18

probably on the dashboard of his car.

19

DICK: No, no, we can't, we can't do that.

20

We can't do that.

21

STEVE: Well, you, you let your men know

22

because we're going to do it. You can do what you want

23

to do but --

24

DICK: Well, listen, I have a very -- what I

25

think that you and David will consider a very important
question that --

1 STEVE: All right.

2 DICK: -- you're going to have to entertain.

3 STEVE: I mean because, you know, this is the
4 same kind of a -- I just want to say in regards to that
5 reaction, it's a reaction to what's happening on the
6 premises still.

7 DICK: Uh-huh.

8 STEVE: So, if you make your movements wrong,
9 you don't talk to us, the same will be so. You want to
10 take one of our people out, well, it will begin again.

11 DICK: Well, we're not going to do that. We
12 have a -- we have a --

13 STEVE: Okay. Well, that's --

14 DICK: -- proposal to, to, to talk with you
15 about.

16 STEVE: Okay. I'll -- I'm open for that but
17 --

18 DICK: Let's --

19 STEVE: -- but let me say he wants to get the
20 cassette tape out of his car. It's part of our worship
21 service.

22 DICK: Hold on. Let me, let me -- give me a
23 minute, okay?

24 STEVE: All right.

25 DICK: What time -- let me get back to you in
just a minute. Okay?

1 STEVE: Okay.

2 DICK: You, you hold on --

3 STEVE: No problem. We'll be unarmed, of
4 course.

5 DICK: Well, listen, don't send anybody out
6 until I talk to people about it, okay?

7 STEVE: All right.

8 DICK: I'll get back to you in just a couple
9 of minutes.

10 STEVE: Okay. I'll be back. Okay, thanks,
11 Dick.

12 DICK: Bye-bye.

13 * * * *

14 STEVE: Hello.

15 DICK: Steve?

16 STEVE: Yes.

17 DICK: Dick.

18 STEVE: Okay. Hi, Dick.

19 DICK: Yeah. Listen, I just didn't want you
20 to send somebody out there until people knew what was
21 happening because, you know, people get -- after these
22 periods of time, sometimes there's some, some fatigue
23 and that sort of thing. So, we don't want to do
24 anything without talking to one another.

25 Now, where, where is this tape now?

STEVE: Where is the which? The tape -- it's

1 | in the black Camero which is sitting right in the front
2 | of the building, just a little off -- I think it's just
3 | left of the front door.

4 | DICK: All right, right out front with the
5 | vehicles in front?

6 | STEVE: Exactly, very clear in the open and
7 | everything.

8 | DICK: All right. That -- you know, that's
9 | fine but, again, the reason I was concerned about you
10 | doing it before I cleared is 'cause I just wanted to
11 | make sure that your fellow comes out safely and that
12 | our people knows he's coming out and that sort of
13 | thing.

14 | STEVE: Well, you know, like I said, you
15 | know, I mean it almost seems funny at times because,
16 | number one, they're all in armored tanks and so forth
17 | and so --

18 | DICK: Let's -- you know, we don't, we don't
19 | need to quarrel about that. We know that. I just want
20 | to make sure that he isn't --

21 | STEVE: I know.

22 | DICK: And no weapons.

23 | STEVE: You know, it has bothered me, though,
24 | that you expect that from me and then on the other
25 | hand, these guys are digging on our property, moving
around, things that they shouldn't be touching.

1 DICK: Well, that's one of the things we want
2 to discuss.

3 STEVE: All right.

4 DICK: I want to discuss directly with David.

5 STEVE: All right.

6 DICK: Now, you're talking about a prayer
7 service from --

8 STEVE: Yes.

9 DAVID: -- from what period?

10 STEVE: Right -- well, right now we're still
11 in it and --

12 DICK: Okay.

13 STEVE: -- let me see. Let me look down at
14 my watch here. So, it will probably be another 45
15 minutes.

16 DICK: Let's make it -- it's 3:19 now. Let's
17 --

18 STEVE: Okay.

19 DICK: -- let's make it at a quarter to -- a
20 quarter to four. I'll call you back. I need to talk
21 to David because I have --

22 STEVE: Well, let's make it at 4:00 or just a
23 few minutes after.

24 DICK: Let's make it 4:00.

25 STEVE: All right.

DICK: High -- 4:00 straight up, and I need

1 to talk to David because I have, I have some -- what I
2 think he'll find to be very important and interesting
3 development.

4 STEVE: Okay.

5 DICK: All right.

6 STEVE: Very good. I'll talk to you then.

7 DICK: All right. Very well.

8 STEVE: Okay. Bye.

9 DICK: Bye.

TAPE #68

3/6/93

3:59 p.m. - 4:58 p.m.

1 (Tape 68)

2 STEVE: Hello.

3 DICK: Steve?

4 STEVE: Yes.

5 DICK: Dick.

6 STEVE: Okay.

7 DICK: Is David there?

8 STEVE: Just a moment.

9 DICK: Okay.

10 STEVE: Yes, here he is. Just hang on.

11 DICK: Good. Thank you.

12 DAVID: Hello, Dick.

13 DICK: Good afternoon, David. How are you
14 doing?

15 DAVID: Oh, we're doing all right. Is this
16 Dick?

17 DICK: It is.

18 DAVID: Okay.

19 DICK: You feeling a little better? I
20 understand you were feeling --

21 DAVID: Oh, yes.

22 DICK: -- a little tired this morning.

23 DAVID: Yeah, we -- we're, we're, we're
24 recovering.

25 DICK: Did you ever send anybody out to get
that tape?

1 DAVID: Did we send anybody out to get the
2 tape yet, Steve? No, not yet.

3 DICK: Are you still considering it?

4 DAVID: He said that he was waiting on you.
5 You said you were going to call back or something.

6 DICK: Oh, he misunderstood. I said, go
7 ahead and send a fellow out to get the tape and I would
8 call back to talk to you about what I think is an
9 interesting proposal here. And that you could go ahead
10 and send your man out for the tape.

11 DAVID: All right.

12 DICK: So, I, I'm -- you know, we
13 misunderstood one another there.

14 DAVID: So, what are we trying to develop
15 now?

16 DICK: Okay. Well, are you going to send
17 your fellow out to pick up the tape?

18 DAVID: Yes.

19 DICK: I want to go ahead and relay that if
20 you're going to do that.

21 DAVID: Go ahead, go ahead and send the guy
22 out to get the tape.

23 DICK: Okay. Listen, --

24 DAVID: Well, let me -- it's probably on the
25 dash or right there near the console.

 DICK: Okay.

1 DAVID: Right, it's the demo tape.

2 (Unidentified people talking in the
3 background).

4 DAVID: Well, it's amazing none of those
5 tanks blew up, you know it? Yeah.

6 DICK: Okay. Are you going to start him out,
7 David?

8 DAVID: Are they starting off yet? Go ahead.
9 (Pause)

10 DAVID: It just, it just takes one person for
11 the tape. It's just one tape.

12 DICK: Yeah. Just ask them to go ahead and,
13 you know, send one out to pick it up.

14 DAVID: What, they want to get that gas tank?
15 Where's it at? No, where at? Oh, just right there at
16 the door?

17 (Unidentified persons talking in the
18 background.)

19 DAVID: Well, he, he can just grab that when
20 he comes in. Anyway, he wants, he wants to grab a
21 propane tank on the, on the way back. It's just right
22 there at the door.

23 DICK: That's okay.

24 DAVID: Says it's all right. It's amazing
25 those tanks didn't get, didn't get hit.

 DICK: Well, I guess so. I guess so.

1 DAVID: I've never seen one of them blow but
2 I hear they're pretty potent.

3 DICK: Yeah.

4 DAVID: They just filled up some propane
5 tanks and, and they're what -- they're like what, ten
6 gallons, five gallons --

7 DICK: Yeah, I think the normal one, with the
8 barbecue, is, is 10 pounds, 20 pounds.

9 DAVID: They're right there by the door.

10 DICK: So, you're going to send your fellow
11 out?

12 DAVID: Yeah, he's coming out now.

13 DICK: Okay.

14 DAVID: No. One guy to get the tape and when
15 he comes around, just grab the ear of the tank and he
16 can drag it in. Yeah. Unless they want to get shot.

17 DICK: I think that probably got their
18 attention.

19 DAVID: Oh, you know, these guys don't care.
20 They've, they've learned every prophecy all the way
21 from, from Deuteronomy 32, the Song of Moses, all the
22 way through the prophetic writings. They -- they're,
23 they're awesome young men and awesome young women.

24 DICK: Oh, is he, is he on his way out now?

25 DAVID: Yeah, as far as I know. I'm -- you
know, I can't see where they're at right where I'm at

1 --

2 DICK: Okay.

3 DAVID: -- but they should be coming out.

4 DICK: All right.

5 DAVID: I sure wish you guys knew, knew the
6 reasons for the Bible.

7 DICK: Well, you know, Dave, over the last
8 few, you know, few days that we've had an occasion to
9 talk here and especially yesterday and today, I've been
10 hearing a lot of sincere concern in your mind. And, of
11 course, I've got those same concerns, and I want to
12 work with you, and I think I've shown you we're trying
13 to work with you. And for the last couple of hours
14 when I haven't been here and I know we haven't had a
15 lot of conversation today --

16 DAVID: Well, I've been sleeping off and on.

17 DICK: Sure. And I spoke --

18 DAVID: I've been trying to walk now.

19 DICK: Well, that's good.

20 DAVID: And --

21 DICK: Get up and do a little walking and try
22 to get some of the muscle tone back.

23 DAVID: Well, I get up and then my head goes
24 real light. They say it's just a loss of blood.

25 DICK: Yeah.

DAVID: So, we're trying to get some iron and

1 | some spinach and stuff but --

2 | DICK: Sure. Well, you know, again, I've
3 | been hearing this concern and we've, we've reached a
4 | point now where we're not making a lot of headway and
5 | things haven't been working out really well for, for
6 | the last half of yesterday and part of today. So, what
7 | I've done and, again, why we've not been out there
8 | speaking with you today is because I've gone up to the
9 | bosses and I've taken upon myself to, to take this up
10 | to them and suggest to them that, listen, I'm trying to
11 | deal with David. He's trying to deal with me. And it
12 | looks like our position is that he doesn't fully trust
13 | me and I haven't been able to fully trust him. And
14 | we've got to do something to show good faith on both
15 | sides. And we've kicked this back and forth at some --
16 | for some time. And I've really gone out on a limb to
17 | represent you guys out there in an effort to get this
18 | done. And a couple of things we've done -- we
19 | mentioned that -- Steve yesterday was indicating that
20 | they're concerned or you're concerned that you haven't
21 | been able to get the word out. So, I -- what I've done
22 | is gone to the bosses and said, listen, please, in one
23 | of these next press conferences, if you can, mention
24 | that the folks inside are concerned that they're not
25 | going to be able to get their word out for fear that
the government, the F.B.I is going to try to suppress

1 the thoughts of those inside. So, they -- they're
2 aware that, that you're concerned about that. And
3 they've, you know, responded very favorably. That
4 isn't going to be the case. So, I've asked them to
5 make reference to that so that the media knows that at
6 some point in time there's going to be a full
7 accounting from you folks as to your perspective in
8 there.

9 In addition to that, I know you're, you're
10 very concerned about the Bradleys, and I know that --

11 DAVID: No, we're not worried about the Brad
12 -- that's why we haven't done nothing to them yet. You
13 know --

14 DICK: No, I'm talking about the property
15 line.

16 DAVID: Yeah. Well, the thing of it is is
17 like I say, we've allowed, we've allowed you all to
18 infringe upon your statements and but, honestly, one
19 thing -- our main problem is, and I understand it very
20 clearly, is that it's naturally, it's naturally the
21 skeptics point of view to believe that a person doesn't
22 -- a God doesn't talk to man but --

23 DICK: But, Dave, let me, let me finish my
24 thought here because, you know, again, --

25 DAVID: Okay.

DICK: -- I've, I've really put out some

1 effort to get this done for you and the commanders here
2 have, have really listened at length to this, and we've
3 tried to work together here to come up with a proposal
4 for you. And we think that you're going to be happy
5 with it and it will get us off of this impasse. And,
6 of course, to get this, this incident resolved, it's,
7 it's going to -- it's going to require that the two of
8 us work together. So, what I'd like you to do here,
9 I'd like you to commit to the release of, of all the
10 folks in there and we will agree to withdraw all the
11 Bradley vehicles from your property line. And in, in
12 doing this, I know you would be reluctant and I would
13 be reluctant to do one thing without the other person
14 agreeing, so we need to work out this mutual trust.
15 And what would I -- what I would propose is that you
16 send out four people, children, women, if you like. At
17 the same time as they're walking up the road, we'll
18 withdraw all the Bradley vehicles from your property.
19 And then following those developments, that is the kids
20 leaving and the vehicles withdrawing, to be followed by
21 the rest of the folks inside.

22 DAVID: Okay. One second.

23 DICK: And we can talk about, you know, --
24 the way that we need to do this is just the way we
25 talked about it the first day when you folks were going
to leave in that fashion.

1 STEVE: Okay. This is, this is Steve. Go
2 ahead.

3 DICK: What happened to David?

4 STEVE: He handed the phone to me. He wanted
5 me to hear what you had to say.

6 DICK: Okay. Well, as I proposed to him,
7 we've had some problems over the last day or so working
8 out a way we can get past this point where we seem to
9 be hanging up. There's obviously a reluctance on your
10 part to accept that we're trying to do everything we
11 can on your behalf. So, as I was telling David, the
12 reason I haven't called in today is because I've gone
13 to the commanders up here and made some requests of
14 them and we've been talking at length, trying to,
15 trying to resolve this impasse. And, so, we're, we're
16 offering this proposal that if you folks in there will
17 commit to coming out of, of the compound, we'll
18 withdraw the Bradleys from the property, back across
19 from the property lines. And as we're withdrawing the
20 Bradleys, you send four kids or four adults up the, up
21 the path there as we're moving. So that way we know
22 that you're going to be committed to your part of the
23 agreement and you know that we're committed to our part
24 of the agreement. And then once those Bradleys are off
25 the property, then the rest of you folks go ahead and
follow the kids out or those first four individuals out

1 | in the same fashion as --

2 | STEVE: Well, I should actually -- I should
3 | have you save your breath because right now you and I
4 | are so far apart, Dick, that there's no sense in even
5 | talking.

6 | DICK: Okay. Well, offer me a suggestion.

7 | STEVE: You need to go back -- you need to go
8 | back to the commanders --

9 | DICK: Okay.

10 | STEVE: -- and start talking sensibly and
11 | then you can call me when you've got something
12 | worthwhile to talk about.

13 | DICK: Well, let's, let's don't -- let's
14 | discuss this, then.

15 | STEVE: Okay.

16 | DICK: What, what --

17 | STEVE: Dick, David would like to talk to you
18 | again. He'd like to give you a little study. One
19 | thing is for sure, is what he's saying, you don't
20 | believe what he's telling you. But you would -- here,
21 | here he is. He wants to talk to you again. Okay?

22 | DICK: All right. I'll be happy to.

23 | STEVE: Here he is.

24 | DICK: We'll work this out.

25 | DAVID: Say, Dick, I, I appreciate your offer
and from your perspective I understand that, that, you

1 know, your offer is a good offer and everything and I
2 would love to do it.

3 DICK: Okay.

4 DAVID: I would just love to adhere to it
5 but, remember, you have to negotiate with your bosses
6 and I have only one boss.

7 DICK: I understand. What would you offer in
8 return? I mean what, what is your position there? I
9 mean give me, give me a reason to go back to my boss.
10 You said that was a good proposal. What, what is your
11 opposition to it?

12 DAVID: You see, I have already agreed to
13 come out and everybody else with us.

14 DICK: Okay.

15 DAVID: You see, what we're failing to
16 understand is that the Gospel of Christ, the one God,
17 the one church, all the New Testament writers point to
18 a place in heaven. And through the mediation of the
19 prophets, the apostles, there will be inscriptured a
20 record of truth that in the latter days --

21 DICK: David, excuse me for a second.
22 Listen, please, listen to me for a minute. I spent a
23 lot of hours this morning, as did the commanders here,
24 going over this. And you suggested you felt it was a
25 reasonable proposal but you, obviously, have some
opposition to parts of it. So, can we work out -- work

1 | this thing out? And then I'm perfectly willing to
2 | listen to, to you, as I have in the past, and I think
3 | I've shown you that but let me go in with, with an
4 | alternate plan to the commanders and --

5 | DAVID: Well, Dick --

6 | DICK: -- so that we can get it worked out.

7 | DAVID: Dick, let me, please, for -- you
8 | know, bear with this fool just a moment, you know,
9 | just, just bear with this fool just a moment.

10 | DICK: Okay. Can we, can we -- can I make
11 | you a counter proposal here? Can, can I give you some
12 | time? Let's, let's work back and forth here. I'm
13 | perfectly willing to listen and I appreciate your
14 | taking the time to talk to me in this fashion.

15 | DAVID: Well, we love you.

16 | DICK: Well, I understand that.

17 | DAVID: We, we love you -- every one of you
18 | guys. We love the commanders. We have no grievances
19 | against you.

20 | DICK: Isn't this a significant offer, David?

21 | DAVID: Well, look, it's, it's as good as the
22 | original offer, you know, before the Bradleys -- your
23 | show of might does not scare us at all.

24 | DICK: This is not a show of might at all,
25 | not at all.

 DAVID: No, what I'm saying is is that, you

1 | see, the very show of -- look, you, you've been working
2 | a lot, right?

3 | DICK: Uh-huh.

4 | DAVID: I've been working since 1985. I was
5 | shown at that time --

6 | DICK: David, David, offer me, please -- this
7 | is very important that we -- this is a very significant
8 | development that we need to talk about. And let's,
9 | let's spend some time talking about this. And then,
10 | then, please, I'll be happy to listen to you because
11 | it's worth listening to. I, I'm certainly in agreement
12 | with that but let us work out this -- some details here
13 | so that others that I can pass this on and it will be
14 | considered and we can work on this. This is, this is a
15 | very important time. This is, this is Saturday. We've
16 | been here seven days.

17 | DAVID: It's the Shabbat Sabbath, right?

18 | DICK: It is, it is. And it's an important
19 | date for you and for us.

20 | DAVID: It's the day -- it's the day that,
21 | that the nations in the world, they, they have profaned
22 | the Sabbath. They don't know the meaning.

23 | DICK: Absolutely, and we're trying to
24 | demonstrate our goodwill to you, David, and I think we
25 | have. I'm working hard on this.

 DAVID: What if God was trying to offer you a

1 way out of a, of a, of a present oncoming disaster of
2 this nation, what if God has a witness to this nation
3 because God is ready to deliverate his people from the,
4 from the bands and the rulerships of all nations, and
5 what if God is really going to set up his kingdom like
6 they did in ancient times.

7 DICK: Well, --

8 DAVID: And what if the prophet Daniel and
9 the prophets who foretold the rise and fall of empires,
10 what if God is not ready to, to show his mercy to the
11 last generation of men on earth and what if God is
12 ready to, to judge the nations of these -- as foretold
13 by these prophets.

14 DICK: Then we'll have to be prepared.
15 David, we'll have to be prepared.

16 DAVID: And how can you prepare it if you
17 deny his word by ignorance, willful ignorance to his
18 word?

19 DICK: I don't mean to be ignorant at all and
20 I'm willing to work with you but this --

21 DAVID: But you --

22 DICK: -- but this is a genuine effort on our
23 part to try to work this out, David, and, please, work
24 with me.

25 DAVID: I -- hey, look, I am working with
you. I'm listening to you. But understand this is

1 | also a political matter. We are to serve God first and
2 | then --

3 | DICK: David, I'm serving God also.

4 | DAVID: No, the God that you serve is not my
5 | God.

6 | DICK: Well, --

7 | DAVID: Your God has not given to you a
8 | knowledge of his will. Your God is not the God of the
9 | prophets.

10 | DICK: David, offer me a -- what -- offer me
11 | a counter, offer me a counter proposal that you can
12 | deal with that we can deal with. Offer me one right
13 | now. I know you, --

14 | DAVID: Okay.

15 | DICK: -- you said that this was an earnest
16 | agreement. Offer me something that I can take into my
17 | bosses and let's, let's face it, David, we have to work
18 | together, a little give, a little take. It's a classic
19 | example of we have to work together and work with one
20 | another and make, you know, some lateral movements and
21 | forward movement.

22 | DAVID: Sure.

23 | DICK: And we're willing to do that. Help us
24 | resolve this.

25 | DAVID: Your -- I would love to. Your
considerations are acknowledged of God. That's one

1 thing I can tell you. But the little tape that I sent
2 out, the basic little tape that people are trying to
3 tear apart, I am not having the liberties or the
4 freedoms to be able to be countered on what I have
5 taught.

6 DICK: Uh-huh.

7 DAVID: Now, it's like this. If a man, any
8 man, is able to make a statement, it's natural amongst
9 the sons of men for people to perceive that statement
10 in different areas of perception. Now, that's why in
11 a, in a, in a meeting or in a encounter, even with the
12 ATF agents in front of their little news media there,
13 when a man makes a statement, someone else says, now,
14 can you explain that to me more thoroughly or can --
15 about what you just said, did you mean that -- and, of
16 course, a person is allowed to clear himself. I used
17 additional words. That's not the position we have. I
18 gave a, I gave a little study on the radio. I was told
19 to make it as short as possible. It took 58 minutes to
20 get the one point out. Now, the question --

21 DICK: That's because we wanted to make sure
22 that you had the opportunity to get the whole message
23 on, on the air, David.

24 DAVID: Right.

25 DICK: Our experience has been -- and when
have you ever heard on television -- I don't -- you

1 know -- on any network or on the Christian Broadcast
2 Network, anybody make a, a, a, you know, a plea that
3 you were able to do for 58 minutes. It's unheard of in
4 history, in the history of the broadcast industry. You
5 were given a golden opportunity there and you took it.
6 And you did -- you made the best of it. You did a
7 terrific job. The impact from the, from the public
8 was, was unbelievable. It was overwhelmingly
9 favorable. We just -- we fell short of the original
10 agreement but we're willing to go on from there.

11 DAVID: No, we didn't fall short of that.
12 It's just what took place was is that the one that I
13 communicate with, my God, stated to wait 'cause things
14 are happening right now, things that you cannot see
15 with your eyes. But if you knew the time of which we
16 were in, if you understood the prophetic rise of the
17 prophets, if you believed the words of the prophets and
18 the words of Christ and if you realize that God in
19 heaven that sits on the throne has these words
20 contained in seven seals, then you would be shaking and
21 trembling in your shoes right now. All of you would
22 be. If, if these young men knew the events that are to
23 take place here shortly, they, they would, they would
24 be so far away from here they wouldn't even want to
-25 come around this place.

 DICK: David, listen, listen to me for a

1 second. I'm willing to go a step further, you know.
2 I'm putting my job on the line for you here, okay. I'm
3 willing to go into the bosses and tell them the women
4 and children are coming out. Now, that, that is --
5 certainly should be acceptable to you, is it not?

6 DAVID: Well, if they wish to, they may. I
7 mean I am not holding anybody --

8 DICK: No, but I mean it's going to be up to
9 you to go ahead and send those folks out and we'll move
10 the Bradleys off the property.

11 DAVID: Well, do, do you mean to tell me that
12 you want me to lose my job with God by making a -- an
13 order or something that I don't have the right to make?

14 DICK: No, it's -- you know, I'm not asking
15 you -- I --

16 DAVID: You just do not believe that -- and
17 God speaks to me.

18 DICK: No, David, what I'm suggesting is that
19 these folks have a lot of confidence in you. If you go
20 to them --

21 DAVID: Well, why do they have a lot of
22 confidence in me?

23 DICK: Because of, of your gifts and your
24 abilities.

25 DAVID: I have never lied to them. I've
always shown them the biblical truth unlike what this

1 nation and other nations have offered through their
2 ministries.

3 DICK: But earlier on you were willing to do
4 this, David. And we're not asking you to come with
5 these folks.

6 DAVID: And I'm sure we're willing to do
7 this.

8 DICK: We're asking you to send the women and
9 children so that women can care for the children that
10 have already come out and that the rest of the children
11 will come out. And, and we'll move those Bradleys.
12 David, help me out. I've been trying to represent you.

13 DAVID: Dick, I would love to. I would love
14 to but you're not representing me. God's going to
15 represent me.

16 DICK: I know but you can help me out, okay,
17 as a personal favor to me.

18 DAVID: Dick, I -- okay, look.

19 DICK: As a personal favor to me.

20 DAVID: Here's how I could help you out.
21 Would you like to know the seven seals?

22 DICK: Certainly. I'll be happy to learn
23 about the seven seals, but I need to go to my bosses --

24 DAVID: You got -- do you got your Bible?

25 DICK: I'll be happy to go with it but,
please, let's do this first. And I will sit here and I

1 will listen to the seven seals. I want to understand
2 about the seven seals but I have to go to my bosses and
3 represent a proposal to them. So, work with me on
4 this, David. Please, work with me, and I will work
5 with you. I, I've, I've shown you that. I, I made a
6 sincere effort. The bosses have made a sincere effort,
7 but I believe I can go into them and convince them that
8 this is the thing to do. And I will be happy to do
9 that. And as soon as I return from that, the two of
10 you or the two of us, we'll, we'll, we'll get -- I want
11 to learn about the seven seals but --

12 DAVID: Don't --

13 DICK: -- but --

14 DAVID: -- tell them that I said that I'm
15 going to send the women and children out.

16 DICK: Well, I'm certainly not going to tell
17 them --

18 DAVID: What I said, it still goes along with
19 Jim, you know. I am ready and willing and so is
20 everybody else to, to leave this place. We're witness
21 in this generation. This organization is a witness
22 unto God. Now, when our God who has shown me these
23 mysteries tells me to wait, then I must wait. But
24 everybody else here makes their own decisions.

25 DICK: I understand.

DAVID: God does not speak to them like God

1 | speaks to me, you see. That is, that is obvious. That
2 | is a reality. But there is a young lady here who's
3 | already stated that she does want to leave. And, so,
4 | you know, I'm not hindering her at all, you know, but
5 | she does want to leave. But the thing of it is is
6 | that, you know, evidently, Steve -- who was talking to
7 | last night Steve? No. Well, who was you talking to
8 | last night that -- the last guy. John. I've never
9 | talked to him, did I?

10 | DICK: David, did you see -- did you see Bob
11 | Ricks on television today?

12 | DAVID: I didn't see much of anything today.

13 | DICK: All right. Well, Mr. Ricks is a very
14 | devout Christian and he prays to God, as we all do.
15 | And it took him a lot to make these concessions. And I
16 | believe the reason he did that is because he prayed, he
17 | prayed at length and he came back and he said, Dick,
18 | this is, this reasonable. I've given a lot of thought.
19 | I've prayed about it. And this is reasonable. And
20 | we're, we're willing to concede, we're willing to work
21 | because we know that he's sincere in his belief. We
22 | want to show him we're equally sincere. And this is --
23 | this is what it's going to take, this kind of effort,
24 | prayer, and those kinds of things. And Mr. Ricks did
25 | that and --

 DAVID: Well, did God talk to him?

1 DICK: He told me that he prayed to God and
2 he came back with this, with this answer.

3 DAVID: Okay. So, God spoke to him, then.

4 DICK: That's, that's correct.

5 DAVID: Well, why would God tell him one
6 thing and me another?

7 DICK: I have no idea but what, what he's
8 telling you --

9 DAVID: Maybe God's trying to get us to fight
10 or something, you know.

11 DICK: No, that's not it at all.

12 DAVID: You've got to watch this God.

13 DICK: What he's trying to do is to, to
14 resolve this with no further injury. And we've made
15 great strides toward that. There has not been any
16 further injury. We've talked together reasonably for
17 days. We will continue. Let's work together on this.
18 Help me out, personally. I went in there. Help me.
19 Help me and help yourself at the same time.

20 DAVID: Oh, you've got a one track mind, I
21 mean.

22 DICK: It is. It's safety, safety for
23 everybody and the safe release of your people and the
24 -- and given you a chance to use your gifts --

-25 DAVID: The safety aspect is over. I'm the
one that did everything to achieve safety, not you, not

1 | your organization, not your bureaucracy. I'm the one
2 | that made an alliance with Robert Gonzales.

3 | DICK: Work with me. Work with me. Forget
4 | Robert Gonzales. Work with me.

5 | DAVID: No, let's do not forget a reality
6 | that has brought us to this point. You see, I'm the
7 | one that first sent young men over to talk with these
8 | friends across the street. I'm the one that told
9 | Robert that everything that he wants to know about me
10 | or this organization, I would show him. No, but see,
11 | these individuals, the way their system works, set a
12 | time schedule, you know. They wanted to come in here
13 | and bust us up. They wanted glory. They wanted to be
14 | great. They wanted to have something to talk about,
15 | something to brag about, you know, and it didn't turn
16 | out that way.

17 | DICK: They certainly got none of those
18 | things.

19 | DAVID: All of, of the system's fault --
20 | Robert and his pride and arrogance, he hasn't even
21 | tried -- he hasn't even called me yet, you know. I
22 | asked, I asked Jim to, to get him to contact me. You
23 | know, I want, I want to be able to talk to him and ask
24 | him --

25 | DICK: That may well be arranged.

 DAVID: -- and ask him --

1 DICK: That may well be arranged in the
2 future but you know what, I was telling Steve this
3 morning --

4 DAVID: Do you know --

5 DICK: -- those fellows that were out there
6 are no longer working because they're being -- there's,
7 there's an inquiry. And you know that Robert, he did
8 what he was supposed to do. He was given an
9 assignment.

10 DAVID: He could have stopped. Yeah, but he
11 was also given something else, too, the best friendship
12 he could have ever gotten from anybody.

13 DICK: You understand that he is a D.E.A
14 agent, do you not?

15 DAVID: Oh, I know that Robert --

16 DICK: I mean an ATF agent, I'm sorry.

17 DAVID: Yeah. I know what Robert was. I
18 knew what he was when he first came over.

19 DICK: Well, then, he's doing -- you know,
20 I'm sure that he had a great deal of difficulty dealing
21 with those issues.

22 DAVID: I kept telling him I knew who he was.

23 DICK: Once he got inside, it's my
24 understanding that, that he really had to struggle with
25 his continuing employment with the ATF because of the
things that you taught him. And it was very, very

1 difficult for him. It still continues to be difficult
2 for him.

3 DAVID: I know, and that's why I want to talk
4 to him so I can tell him something that's very
5 important.

6 DICK: We -- we're not saying you can't talk
7 to him.

8 DAVID: Well, then put him on the phone.

9 DICK: Well, he's not here, like I tell you
10 --

11 DAVID: When you put him on the phone and I
12 talk to him, then Melissa's going to come out, okay?

13 DICK: We, we don't even have availability to
14 him.

15 DAVID: Yes, you do.

16 DICK: Is Melissa the gal that you said wants
17 to come out?

18 DAVID: Right.

19 DICK: Well, let's send her out and we'll --

20 DAVID: No, let's --

21 DICK: -- see what we can work with.

22 DAVID: Well, wait a second. Tell Melissa to
23 come here. I want to ask her something. I mean,
24 Robert, you know -- a lot of the guys that are in law
25 enforcement, you know, they have a -- they have a sense
of right and a sense of wrong and --

1 DICK: Uh-huh.

2 DAVID: And, you know, they hate drugs and
3 stuff like that, and I hate drugs. I've always hated
4 drugs. And no one here takes drugs. You know, and the
5 thing of it is is that, you know, we, we have one -- we
6 have one -- that's one thing about a Christian. Paul
7 says, be all things to all men. And we've got to find
8 a bridge to all types. And there's nothing that I ever
9 wanted more than to have, you know, law enforcement
10 agencies and stuff to realize the real, really deep
11 principles of our convictions and our beliefs.

12 DICK: David, I'll tell you what I'm going to
13 do. Now, Robert is nowhere around the Waco area. You
14 know, he's struggling with this whole thing. He's --

15 DAVID: Well, tell him to come on back.

16 DICK: The grief that this man is, is
17 undergoing is much like the grief that you're
18 undergoing. He, he just can't deal with it now.

19 DAVID: Well, --

20 DICK: It's a mandatory thing. His agency
21 mandatorily sent him out. Now, I will deliver a
22 message, if I can find somebody that can give him --
23 those guys are, are sent home. Anytime a law
24 enforcement officer is involved in a critical incident,
25 there is absolutely no deviation, they are sent packing
with their family so that they can get away and, and

1 | forget the -- all the agony that was suffered on both
2 | sides. And he'll return to duty at some time in the
3 | future but this man has told his friends that it was
4 | horribly, horribly difficult for him because of, of, of
5 | what has happened here due to your teaching. He's even
6 | going to have to see a doctor about this because he's
7 | having a difficult time with this.

8 | DAVID: Well, Melissa, Melissa will come out
9 | --

10 | DICK: Okay.

11 | DAVID: -- once we get to talk to Robert,
12 | okay?

13 | DICK: Well, let me talk to Melissa now. Let
14 | me see if we can work out this thing. But let's go
15 | back to the original, original talk that we had here.
16 | Give me something. Let me go into the boss here.

17 | DAVID: I just did.

18 | DICK: Offer me --

19 | DAVID: I just did. Jim and all them kept
20 | telling me that, that they would get in contact with
21 | Robert, that he was around there. Now, you're telling
22 | me opposite.

23 | DICK: Well, give me a message and I'll try
24 | to run Robert down but in the meantime, let's take
25 | Melissa out of there if she wants to go.

 DAVID: Here, here's, here's the message.

1 | Wait a second.

2 | DICK: David?

3 | STEVE: She's -- he's asking a question, do
4 | you want to go? And she's saying, no. And then he
5 | asked her the question, would you go if it allow us to
6 | talk to Robert Gonzales? And she shook her head yes.
7 | Hello?

8 | DICK: I'm still here.

9 | STEVE: Okay. Do you want to talk to the man
10 | on the telephone a little bit? Are you sure?

11 | DICK: Put her on.

12 | STEVE: Okay.

13 | DICK: Put her on, Steve, let me talk with
14 | her.

15 | STEVE: Okay, Dick, hang on just a second.
16 | She's shooking -- shaking her head no but I'm trying --
17 | are you sure you don't want to? Say, hello. He's a
18 | real nice guy. Here -- Dick?

19 | DICK: Yes.

20 | STEVE: Okay, here she is.

21 | MELISSA: Hi.

22 | DICK: Hello, Melissa, how are you?

23 | MELISSA: Okay.

24 | DICK: Okay. How old are you?

25 | MELISSA: Six.

 DICK: You're six years old. Good. How --

1 | why don't you come out and we'll get together with --
2 | and sit down and talk for a while. David has indicated
3 | that you, you can go, you can leave the house. Will
4 | you do that for me?

5 | MELISSA: Yeah.

6 | DICK: Okay. You tell David you want to come
7 | out and talk to Dick, okay? You get your coat on and
8 | you come out and you and I will sit down and talk
9 | together. Can we do that?

10 | MELISSA: Yeah.

11 | DICK: We'll take good --

12 | MELISSA: Bye.

13 | DICK: -- we'll take -- Melissa?

14 | MELISSA: Huh?

15 | DICK: We'll take good care of you and we'll
16 | put you together with all the other kids that came out
17 | and --

18 | MELISSA: Yeah.

19 | DICK: -- you'll, and you'll get to play with
20 | your friends. And what's your last name, Melissa?

21 | MELISSA: Morrison.

22 | DICK: I'm sorry, honey, what is it?

23 | MELISSA: Morrison.

24 | DICK: Lar -- Morrison, Melissa Morrison?

25 | MELISSA: Yeah.

 DICK: Good. Well, you -- we'll get you

1 together with all the other kids and you can talk to
2 your friends. Do you, do you have your brother or
3 sister?

4 MELISSA: No.

5 DICK: Okay. Well, you tell David that you
6 want to come out now and talk to Dick.

7 MELISSA: Okay.

8 DICK: Will you do that?

9 MELISSA: Yeah.

10 DICK: Okay. Promise me?

11 MELISSA: Yeah.

12 DICK: Okay. You tell David right now that
13 you want to get your coat and leave.

14 MELISSA: Bye.

15 DICK: You there, Melissa?

16 MELISSA: Yeah.

17 DICK: Okay. Will you tell him that?

18 MELISSA: Yeah.

19 DICK: You go over to him right now and, and
20 tell him that you'd like to leave and you talk -- you
21 want to go out and talk with Dick, okay?

22 MELISSA: Okay.

23 DICK: And we'll give you -- we'll give you a
24 ride, okay?

25 MELISSA: Okay.

DICK: Okay. Let me talk to David.

1 ROSE: Hello, Dick?

2 DICK: Yes.

3 ROSE: Hi, I'm Melissa's mother.

4 DICK: Hi, how are you? What's your name?

5 ROSE: Rose.

6 DICK: I'm sorry?

7 ROSE: Rose.

8 DICK: Nice to meet you. I understand you're
9 going to send Melissa out now?

10 ROSE: Can I just ask you something before I
11 send her out?

12 DICK: Certainly.

13 ROSE: Where are the children being sent to
14 and we've got conflicting information over here. We've
15 been told once they're being sent -- well, they're
16 being held together.

17 DICK: That's true.

18 ROSE: And then they're being fostered out.

19 DICK: No, that's not true.

20 ROSE: That's not true?

21 DICK: No, the kids, the kids are together.

22 ROSE: Okay. Can you tell me what's going to
23 happen to the children?

24 DICK: At some point in time, we're going to
25 reunite them with you. As soon as you folks come out,
we're going to reunite, reunite you kids -- with your

1 | children and you're going to be giving them the care.
2 | These kids want to get back with their parents.
3 | There's no question about that. We want to get them
4 | back with their parents. And until we can do that, the
5 | kids will be well cared for by caring people. The kids
6 | are all together. We -- did you get a chance to look
7 | at those pictures we sent in to you the other day?

8 | ROSE: Well, you sent the tape as well,
9 | right?

10 | DICK: Well, we sent, we sent hard copy
11 | photos in also. You didn't get a chance to see those?

12 | ROSE: I saw the photos but the tape was
13 | blank.

14 | DICK: That's what I understand. I've been
15 | assured that that went in there with something on it.
16 | It must be your equipment in there. But the -- yes,
17 | the kids, the kids are all together. They will remain
18 | together. And we want to reunite you with your kids as
19 | soon as you can. Now, my understanding is is that
20 | David has absolutely no objection to you leaving with
21 | your daughter.

22 | ROSE: That's true.

23 | DICK: Why don't you come on out with her and
24 | then you can insure that these kids are together and
25 | being cared for properly?

 ROSE: Well, that's not my choice.

1 DICK: It's not your choice?

2 ROSE: I mean that's not what I want to do.

3 DICK: All right.

4 ROSE: But at the same time, we've also
5 gotten information coming in that once we come out,
6 okay, we're going to -- you know, go through the
7 judicial system and whatever. So, the children might
8 not be able to be reunited with us. So, then, what
9 will happen to the children? I mean most of the
10 children taken out of here have been taken out with
11 their names and --

12 DICK: They have.

13 ROSE: -- their relatives and whose the
14 contact.

15 DICK: Well, as I've indicated before, the
16 kids are being cared for and they're all together. At
17 some point in time, we're going to reunite them with
18 you and the other parents in there. And, obviously,
19 some folks when they come out are going to be detained
20 temporarily, some maybe even longer than that.

21 ROSE: Okay.

22 DICK: However, the kids are going to be well
23 cared for. And we understand that they came out with
24 addresses and that's what we want you to do also is to
-25 send, send out an address and a telephone number of a
contact person --

1 ROSE: Okay.

2 DICK: -- for us.

3 ROSE: The parents that's being detained,
4 well, then what will happen to our children?

5 DICK: You talking about individually? I
6 mean, in other words, parents of those -- parents that
7 --

8 ROSE: Yes.

9 DICK: -- might be detained, what's going to
10 happen to the kids?

11 ROSE: Yeah.

12 DICK: Well, temporarily, they're going to be
13 housed together. And, obviously, at some point in time
14 a decision has to be made in terms of placement but
15 that's what we're talking about relatives.

16 ROSE: Some parents will be detained longer
17 than others, okay.

18 DICK: Well, that's what the next of kin are
19 for. In other words, if you send out a message, a
20 telephone number, an address of grandparents, brothers,
21 sisters or someone, immediate family member, then every
22 effort will be made to contact those people and put --
23 and make them aware of the situation here. And we'll
24 place the kids with them when --

25 ROSE: The kids will be placed with their
relatives, right?

1 DICK: Absolutely.

2 ROSE: Okay.

3 DICK: Absolutely. That -- we wouldn't have
4 it any other way.

5 ROSE: And I'm supposed to take your word for
6 that, right?

7 DICK: Well, you are. That's exactly -- you
8 know, if you don't take my word for it, then, then we
9 can't work this out. I am here to insure your safety
10 and that of your children. And you have to work me.
11 As I told David and Steven, we've made every effort to
12 try to get this thing worked out for the safety of
13 everyone inside. We've given you the opportunity to
14 send your children out. We want your children out, and
15 we want you folks out.

16 ROSE: Okay. Well, look, I'm going to send
17 my daughter out, okay?

18 DICK: All right. And, please --

19 ROSE: But not because of your word.

20 DICK: Please. And, also, put -- give us a
21 message as to who should be contacted relative to your
22 child and tell the others in there that I'll be happy
23 to talk to each and every one of them. We care for the
24 kids. I'm a father. You think that I would allow
-25 something to happen to your children?

ROSE: No.

1 DICK: I just won't do it.

2 ROSE: Okay, then. Okay. Well, she'll --

3 DICK: Would you pass that message on to the
4 rest of the kids?

5 ROSE: Sure, I'll do that.

6 DICK: Now, hold, hold on for just a second
7 here. I, I've got just one more thought I want to pass
8 to you.

9 ROSE: You've got what?

10 DICK: I've got one more comment.

11 ROSE: Okay.

12 DICK: You know, your family -- are, are you
13 from Australia or from England? From England?

14 ROSE: Am I from where?

15 DICK: Are you from the United Kingdom?

16 ROSE: England, yeah.

17 DICK: Okay. We have inquiries about you
18 from your family.

19 ROSE: You do have inquiry?

20 DICK: Yes, we have.

21 ROSE: Okay. Can you -- go on.

22 DICK: And, you know, obviously, everybody's
23 worried about your safety, your family members. And
24 I'll be happy to give them a message. I'd like --
25 frankly, I'd like to have you give the message to them
yourself but if, if you won't or can't come out, then I

1 will do that for you.

2 ROSE: You'll do that for me.

3 DICK: But, please, please, consider coming
4 out yourself.

5 ROSE: Okay. Well, you can pass a message on
6 for me then.

7 DICK: Okay. Give me, give me the message.

8 ROSE: You can tell my family I'm fine. I'm
9 well.

10 DICK: You're well.

11 ROSE: And to keep the faith, the truth of
12 the Bible.

13 DICK: Keep the faith and the truth of the
14 Bible.

15 ROSE: Yeah. Tell them --

16 DICK: Okay.

17 ROSE: -- I stick by the Bible and they
18 should do the same.

19 DICK: Well, --

20 ROSE: That's my message.

21 DICK: That's, that's, that's it. Okay. And
22 the telephone number you're going to send out with the
23 child?

24 ROSE: It will be on -- it will be sent out
25 with her.

DICK: Okay. Have you got a coat there for

1 her?

2 ROSE: Pardon? Have I got coat?

3 DICK: Why don't you -- I'll tell you what,
4 give me the telephone number, if you have it in your
5 head now, and the address. Then we'll have it covered
6 both ways.

7 ROSE: Okay.

8 DICK: Okay. What are your parents' names?

9 ROSE: Morrison.

10 DICK: Yeah, but I'm talking about your first
11 name -- their first names. Both your, your mother and
12 father?

13 ROSE: No.

14 DICK: Okay. Your mother?

15 ROSE: Yeah.

16 DICK: Okay. What is her name?

17 ROSE: Millie.

18 DICK: Millie Morrison?

19 ROSE: Yeah.

20 DICK: Okay. And what is her telephone
21 number?

22 ROSE: It's 061 --

23 DICK: Oh, six one --

24 ROSE: -- 225 --

25 DICK: Two, two five.

ROSE: -- 1205.

1 DICK: Twelve zero five.
2 ROSE: That's right.
3 DICK: And their address?
4 ROSE: Five Talbott Road.
5 DICK: Five -- I'm sorry, I didn't
6 understand, five, what road?
7 ROSE: Talbott.
8 DICK: Talbott Road, okay.
9 ROSE: That's right. That's Ladybond.
10 DICK: Lake --
11 ROSE: Ladybond, L-A-D- --
12 DICK: Ladybond?
13 ROSE: Yeah.
14 DICK: Okay. And that's in -- is that in
15 London or England?
16 ROSE: That's Manchester, England, yeah.
17 DICK: Manchester, England?
18 ROSE: Uh-huh.
19 DICK: Okay. And what is -- is there a zip
20 that goes with that or some sort of a code?
21 ROSE: No. No.
22 DICK: Okay.
23 ROSE: Manchester 14, if you want that.
24 DICK: Manford 14?
25 ROSE: Manchester --
DICK: Okay. Manchester --

1 ROSE: Fourteen.

2 DICK: Fourteen.

3 ROSE: In England, yeah.

4 DICK: England. All right.

5 ROSE: So, you're going to get that out to
6 them?

7 DICK: We will -- we'll be in touch with
8 them, yes. We will --

9 ROSE: Okay.

10 DICK: -- we will most definitely be in touch
11 with them.

12 ROSE: When will that be?

13 DICK: As soon as we're able, as soon as
14 we're able. We will, we will get to them and then
15 we'll call you back as soon as we're able to reach
16 them.

17 ROSE: Okay.

18 DICK: Now, is Melissa -- you got Melissa
19 ready to go here?

20 ROSE: Well, I'm going to get her ready now.

21 DICK: Okay.

22 ROSE: Okay. But she'll come out as soon as
23 we speak with Robert.

24 DICK: As soon as you get her together, okay.

25 ROSE: As soon as we have spoken to Robert.

DICK: Pardon me?

1 ROSE: Pardon?

2 DICK: I'm sorry?

3 ROSE: As soon as we've spoken to Robert.

4 DICK: Well, no, that, that can't -- and the
5 reason we can't do that is because we can't find Robert
6 right now. Robert, as I told both David and Steven,
7 Robert is, is not here because Robert -- when the law
8 enforcements are involved -- law enforcement officers
9 are involved in these kinds of things, they're given
10 mandatory time off. They are sent away so they can get
11 away from, from this incident.

12 ROSE: They have?

13 DICK: And so that they can sit down and
14 write reports and that kind of thing. Now, at some
15 point in time, we'll be happy to deliver a message to
16 Robert and, and David will have an opportunity at a
17 point to confront him. There's absolutely no question
18 about that. We guarantee that. But that shouldn't
19 impact on Melissa coming out because I know you want --

20 ROSE: Well, --

21 DICK: -- you're concerned about the safety
22 and care of your daughter.

23 ROSE: Well, at the moment -- Anyway, there's
24 someone here, there's a small child that wants to speak
25 to you.

DICK: A small child?

1 ROSE: Yeah.

2 DICK: Get Melissa out and we'll, we'll work
3 on the other thing. Why don't you -- get her coat on
4 and we're ready to receive her up there at the road
5 now. So, tell, tell David that you want to go ahead
6 and send her out and then we'll contact the parents,
7 your parents, your mother, and let her know.

8 ROSE: Well, we'll see how things go, okay?
9 Good bye. Nice to speak with you.

10 DICK: Bye-bye.

11 STAR: Huh?

12 DICK: Who's this?

13 STAR: Star.

14 DICK: Star, how are you?

15 STAR: Fine.

16 DICK: Good. How's your brother and sister?

17 STAR: Fine.

18 DICK: Good. How's your mom and your dad?

19 STAR: Fine.

20 DICK: How old are you, Star? How old are
21 you?

22 STAR: Five.

23 DICK: You're five years old?

24 STAR: Yes.

25 DICK: What -- what's your favorite toy?

STAR: Barbies.

1 DICK: Barbies. Have you got lots of
2 Barbies?

3 STAR: Only two.

4 DICK: Just two Barbies?

5 STAR: I mean I have three 'cause I have one
6 little -- well, it's not really a Barbie, it's a little
7 doll.

8 DICK: A little doll. And my daughter liked
9 Barbie dolls, too. What's your doll's name?

10 STAR: I don't know.

11 DICK: You don't give them a name yet? You
12 didn't give your doll a name yet?

13 STAR: My two big Barbies.

14 DICK: Two big Barbies.

15 STAR: They're both-- their names are both
16 Barbie.

17 DICK: Both Barbie. Okay. They're both
18 blondes, too, I'll bet, aren't they? They have blonde
19 hair?

20 STAR: I don't know.

21 DICK: White hair?

22 STAR: Yeah.

23 DICK: How are your brothers and sisters
24 doing?

25 STAR: Fine.

DICK: Good. How about mamma?

1 STAR: Fine.
2 DICK: Is David there?
3 STAR: Yes.
4 DICK: Could you put David back on the phone
5 to me? Listen, you be a good girl, okay?
6 STAR: Yes.
7 DICK: Okay. You be a real good girl.
8 STAR: Dick?
9 DICK: Yeah. Are you still there? Hello.
10 STAR: Hello.
11 DICK: Are you still there? Can you --
12 STAR: Yes.
13 DICK: -- get David for me?
14 STAR: Huh?
15 DICK: Can you get David for me, your dad?
16 Can you get your dad for me?
17 STAR: Yeah.
18 DICK: Okay. You have a -- you have a nice
19 day and you be a good girl. Will you do that? You do
20 what your mom and dad tell you, okay?
21 DAVID: Oh, that hurts so much.
22 DICK: What does?
23 DAVID: I have two Barbies and both their
24 names is Barbie.
25 DICK: I know -- I heard that. Did she get
them both at the same time or what?

1 DAVID: Well, I bought all the kids here, the
2 girls, a little Barbie doll.

3 DICK: Oh, did you?

4 DAVID: Yeah. And some of them had Barbies
5 that were old.

6 DICK: Uh-huh.

7 DAVID: So, I bought some extra ones and
8 somehow she ended up with two of them and then they had
9 --

10 DICK: She had two of them, huh?

11 DAVID: -- they had a little Skipper or
12 something and a little, little dolls.

13 DICK: Well, they can be twins.

14 DAVID: Yeah, but I -- you know, our kids
15 save things and it's so serious yet --

16 DICK: Sure.

17 DAVID: -- it's so --

18 DICK: Well, they sound -- she sounds like a
19 great little girl.

20 DAVID: Oh, they're beautiful kids.

21 DICK: You know, kids are the most fantastic
22 things in the world.

23 DAVID: I know that more than --

24 DICK: My kids are growing up and I --
25 especially when they're small like that.

 DAVID: Oh, yeah.

1 DICK: My kids have grown a little, little
2 older now and, and those kinds of things that she just
3 said are gone and they're gone very quickly.

4 DAVID: Oh, yeah.

5 DICK: They grow so quickly. And a part of
6 your life leaves when they leave. That, that's for
7 sure.

8 DAVID: That's true.

9 DICK: The -- my wife and I, we elected to
10 have two children. I wish we would have had more.

11 DAVID: Yeah, I've got -- let's see, I've got
12 one, two, three, four, five, six, seven, eight, nine,
13 ten, eleven, twelve, thirteen, fourteen, fifteen,
14 sixteen, seventeen -- I've got about 18 kids.

15 DICK: You've got 18 kids?

16 DAVID: Eighteen -- yeah, 19. Oh, yeah, 19.

17 DICK: Boy, they keep you busy, don't they?

18 DAVID: Yeah, it's, it's --

19 DICK: You've got 19 kids in there with you?

20 DAVID: Right, 19.

21 DICK: Those are your kids, all 19 of them?

22 DAVID: Yeah. Well, what happens is is that
23 we've got -- we've got two of them, two of them in
24 Hawaii right now. And they're with their mother.

25 DICK: Uh-huh.

 DAVID: And one is in California. So --

1 DICK: Well, David, you've got a lot of
2 memories -- you'll have a lot of memories of those kids
3 and a lot of good times.

4 DAVID: Oh, yeah. Well, it's -- you know --

5 DICK: A lot of hard work, though.

6 DAVID: Well, yeah, to a degree but, no, not
7 so much. It's -- you know, it's like, it's like when
8 Isaiah talks, when he talks about Messiah, Paul quotes
9 in Hebrew, he says, the sign -- he says, referring to
10 Christ, he says (Indiscernible) wonders from the Lord
11 of Hosts and that's where the Messianic prophesy, they
12 talk about Messiah and all of his children. It never
13 was fulfilled 2000 years ago. But the promise is is
14 not one jot or tiddle, not one jot or tiddle shall pass
15 from the law or the prophets. They'll all be
16 fulfilled. So, we have to repeat this, you know. The
17 truth has to come back around again and the prophecies
18 that have been obscured and unknown have to be brought
19 to view and have to be fulfilled.

20 DICK: Uh-huh.

21 DAVID: Of course, today we're not in a world
22 of swords and chariots, you know, as per se. But, of
23 course, when we have swords that, that are as thunder
24 and make lightning as fire, then, of course, we're
25 talking about guns then, aren't we? So, you know, the
scriptures, like I say, the ancient prophets could only

1 illustrate the means of weaponry and the means of
2 tactics in their day based upon what they themselves
3 had. But, anyway --

4 DICK: David, --

5 DAVID: Sure.

6 DICK: -- are we agree or do we agree then
7 that we're going to send Melissa out then?

8 DAVID: Oh, yeah.

9 DICK: Okay. Can you get her ready then?

10 DAVID: Well, you get Robert ready.

11 DICK: Well, David, listen, --

12 DAVID: That's what, that's what they said.

13 DICK: -- listen to me, please.

14 DAVID: They said, now, let's talk to Robert.
15 Ever since I negotiated with Jim, this was supposed to
16 have been arranged. And Robert was there for the
17 longest time.

18 DICK: I know that. I know that. Melissa
19 said that she wanted to come out. And I'll tell you, I
20 will, I will get a -- I will get a message. Send, send
21 Melissa out and then I'll tell you what. Send Melissa
22 out and you write a message in your own words to --

23 DAVID: No, I need to talk to the boy --

24 DICK: -- to Robert.

25 DAVID: I need to talk to the boy --

DICK: Pardon me?

1 DAVID: -- word to word. I need to talk to

2 --

3 DICK: But let's give him that choice. Let's
4 give him that choice, much like you're giving the
5 choice to those folks inside. I will get the message
6 to Robert. You send Melissa out. You pen a, a
7 message, and you send it out tomorrow with another
8 child --

9 DAVID: Rose?

10 DICK: -- and I will get the message to
11 Robert. And then let him make the choice.

12 DAVID: It's your decision. He's saying,
13 send Melissa out first and pen a message to Robert and
14 then leave it up to Robert to whether he calls us or
15 not. Now, what do you say? Okay. Well, just wait a
16 second.

17 ROSE: Dick?

18 DICK: Yes.

19 ROSE: I'm not going to do that, okay?

20 DICK: Why?

21 ROSE: Why?

22 DICK: Listen, you have to work together with
23 me, okay. I'm making every effort to get this out --

24 ROSE: Look, you guys have been lying about,
25 you know, from the beginning. And you're saying we
have to cooperate with you. Yeah, we'll -- we've been

1 cooperating. You guys have been doing all the lying.

2 DICK: That, that's not true. Please --

3 ROSE: That's not true?

4 DICK: -- please, that's not true at all.

5 ROSE: That is true.

6 DICK: That's not all true.

7 ROSE: Well, look --

8 DICK: I just made a proposal to, to David
9 and to Steve as to how we can -- how we can work things
10 out. And I just offered him an opportunity -- you
11 know, David is telling us that all you folks have the
12 freedom to make the choice that you do. And my, my
13 suggestion to him is that I will be very, very happy to
14 deliver a message to Robert and then let Robert make a
15 choice, must like the choice that you're able to make.
16 Right now your daughter has made a choice that she
17 wants to leave and I know you want her to leave.

18 ROSE: My daughter -- she said she wants to
19 leave? She said that she would leave once they've
20 contacted Robert.

21 DICK: That's not what she said.

22 ROSE: She said she did not -- hold on a
23 minute here. Hold on. I'll put her back on the phone,
24 okay? Melissa, you tell him whether you want to leave
25 or not. Do you want to leave?

DICK: That's not --

1 MELISSA: (Indiscernible).

2 DICK: Hi, Melissa. You want to come out and
3 talk to me, don't you?

4 MELISSA: Huh?

5 DICK: You want to come out and talk to me --
